Retiring Principal Honored At Testimonial

Carl Griffith, retiring principal of Centre Hastings Secondary School in Madoc has capped a multi-faceted career by starting his own antique business in the village.

But Saturday night the emphasis was on his academic career, as teachers from CHSS honored him at a retirement testimonial dinner at the Four Seasons Hotel in Belleville.

They presented him with a painting and paid tribute to his contribution to the school.

Many years before the several careers-in-one lifetime theory became a popular principle, Mr. Griffith had adopted it as his life style.

A native of Hamilton, he went to work after high school as a crane operator in a steel plant. After service overseas with the air force during the war, he returned to the steel plant as a foreman.

Mr. Griffith's first change of pace came when he decided to attend the University of Toronto. After earning his degree he took teacher training and went to Chesterville to teach geography, history, industrial arts, commercial and physical education.

His next move was to Ridgeway as Department Head of both history and geography. Eventually he went north to become principal of Capreol High School.

While in Capreol Mr. Griffith became interested in politics and ran as an NDP candidate. Although his party lost the election, it gained considerable ground in the riding.

After coming to Madoc five years ago, Mr. Griffith saw the school through a building program that doubled its enrolment.

Long an antique collector, he is the owner of a gun collection of considerable note. Now he is transferring his historical knowledge from teaching to an antique dealership.

Chairman of the testimonial dinner was CHSS teacher Wally Moffat. Superintendents John Garrett and L. F. Reid and former CHSS vice-principal, Robert Graham, outlined Mr. Griffith's career and Mrs. J. O'Riordan, commercial department head at CHSS made the presentation.

John R. (Jack) Ellis officially became a member of parliament representing the Federal Riding of Hastings last week when he was sworn in by House of Commons Clerk Alistair Fraser. Mr. Ellis, who held the seat for the Progressive Conservatives after the retirement of veteran M.P. Lee Grills, signs his declaration of office as Mr. Fraser looks on.

Hold Federation Banquet At Ivanhoe

Gerry Carey, program co-ordinator for the Department of Agriculture, called for more support from county farmers towards the Ontario Federation of Agriculture Association at the recent annual meeting of the Hastings County Federation in the Huntingdon Township Hall, Ivanhoe.

Mr. Carey, before taking the position as fieldman and program co-ordinator for an area between Toronto and Montreal, ran a small farm near Stratford where he became the president of the Ontario Cream Federation. Mr. Carey spoke of a regional office of the Ontario Federation of Agriculture that is to be set up hopefully within the next three months which would have a representative to serve farmers in the county.

The Federation has 12,000 members in Ontario and a budget of \$200,000. One of the Federation's main programs is a property tax rebate scheme. It is felt by the Federation that farmers' spendings on education in the province are out of line with other people, Mr. Carey said. He said that farmers spend over \$17 million a year on education.

Many programs have been set up by the Federation giving services to farmers on such matters as property expropriation and farm machinery companies. Mr. Carey said that farmers of the county should attend as many monthly Federation meetings as possible.

"Meetings exercise your voice in the Federation and allow you to talk about your problems with neighbours, Mr. Carey said. Going to the meetings shows your interest and most of all, gives the Federation direction."

Other guests to the annual meeting were Mr. and Mrs. Harry Brown of Stirling who showed slides taken during a trip to Scotland and Wales last summer.

Burton Hubble thanked the guests and presented them with

Also at attendance at the annual banquet were Russell Sills, Reeve Huntingdon Township who welcomed the guests to the hall, Carman Gibson, County Warden; Jack Ellis, Member of Parliament for Hastings Riding; Gordon Wilman, Reeve, Sidney Township; Mack Brown, President of the Prince Edward County Federation of Agriculture and Wayne Martin, Stirling Agricultural Representative.

Despite the slippery roads and inclement weather, a large crowd was present at the Bridgewater School's Christmas concert last Saturday night when the students sang carols of this and other countries to the theme "Christmas Around The World", as well as going through a number of square dances.

Bridgewater School students portraying the Christmas scene at their second annual concert. As special guests, pupils of the Wm. R. Kirk School of Belleville favoured with some musical selections during the program.

MUNICIPAL ELECTION RESULTS

Another election rush came to a halt Monday evening, when several in the area saw new Councils formed in their municipalities.

In Huntingdon Township, incumbent Reeve Russell Sills was defeated by former Deputy Reeve George Wood with a close five-ballot difference. The cold snowy weather on Monday may be the reason why just slightly over 45% of the eligible voters made it to the polls.

The results were as follows.

	Poll 1	2	3	4	5	Adv.	Total
Reeve							
Russell Sills	66	89	48	62	46	27	338
George Wood	38	40	81	76	78	30	343

Carman Gibson	50	73	61	59	59	27	329
Ken Little	39	48	61	69	72	29	318
Total							3,564

Note: In this overall election for School Trustee, Ken Little was the successful candidate.

Less than 50% of the eligible voters turned out to cast their ballots in the Township of Elzevir & Grimsthorpe, where, after one term, Carl Gordon went down to defeat by Jack Robinson. Robinson is the only new member elected to council. There were two rejected ballots.

The results were:

	Poll 1	2&4	3	Adv.	Total
Ed Alexander	125	91	12	21	249
Ken Cassidy	44	91	11	13	159
Carl Gordon	47	91	5	10	153

Wes Mundie	74	13	25	7	119
Jack Robinson	128	26	29	15	198
Total					1,099

In Tudor & Cashes Township, Arnold Burkitt came out on top in a three-way race for deputy reeve, while Tom Bruce, Claude Davidson and Stanley Robbins will occupy the three seats on council.

The results:

	Poll 1	2	3	Adv. 1	Adv. 2	Total
Deputy Reeve

MADOC MIXED BOWLING

The ladies sort of took over as the Lucky Sevens handed the Twisters their first shut-out of the season. Carol Paraniuk 699 (246, 236), Ruth Holmes 667 (244, 230), and Jean Asselstine 620 (272) were on the beam for the winners, with Leo Covey 726 (281, 256) leading the Twisters in a losing cause. Jack Booth 821 (297, 268), Clarence Farrow 681 (296, 235), and Janet Armstrong 562 (202) led the way as the Happy Gang took a 5 - 2 split from the Volunteers. For the losers it was Joe Bossio 767 (312, 282), Bob Hiltz 643 (253), and Donna Love 600 (216) bowling a total that ordinarily would have won.

The Misfits and the Kingpins had a close match with the Misfits hanging on for a 5-2 win. Don Forestell was tops with 635 (224) for the Misfits, with Dora Heyworth turning in a nice 578 (200) score for the losers. One of the games in this set-to was decided by one pin. In the high average races Leo Covey is leading the men with 219, followed by Jack Booth 217, Joe Bossio 212, and Joe Mallia 206. For the ladies it is Ruth Holmes 189, Betty Stevens 183, Carol Paraniuk 182, and Betty Woodcock in a duel that is changing frequently as the season goes on.

SINGLE COPIES TO BE 15c

Effective January 1st, 1973, the price of single copies of the Review will be increased to 15c.

The high cost of publishing material has forced us to procure this change. Most other weeklies in the County have been selling single copies at this rate for some time, and after holding off as long as possible, we now find it necessary to join with the others in passing on some of our expenses to our readers. Subscription rates will remain the same.

BLAZE DESTROYS HOME

Fire of undetermined origin destroyed the home of Mr. and Mrs. Norman Brushey and family of Flinton on Sunday morning.

The fire broke out in the attractive two-storey stucco house one mile south of Flinton sometime after breakfast, while Mr. Brushey was out cutting Christmas trees on his commercial lot. Assistance was summoned from the Northbrook Emergency Volunteer Fire Department, but the flames had gained so much headway by the time they arrived, they were unable to control the fire.

Mr. and Mrs. Brushey have three children at home, Colleen, 9, Steven, 8 and Charlene, 3. Mrs. Brushey and the children safely escaped the fire. The family is staying with a married daughter, Mrs. Ernest Andrew, whose home is about one-quarter of a mile from the Brushey property on the same road.

Approximately five years ago, the Brushey family lost their original home by fire on the same site, and had rebuilt on the old foundation.

LOCAL & PERSONAL OPEN HOUSE

Friends and relatives are cordially invited to open house in honour of the 50th Wedding Anniversary of Mr. and Mrs. Ernest Reid of R.R. 4, Stirling, on Saturday, December 16th from 1:00 until 5:00 p.m. at the home of their son, Mr. and Mrs. Everett Reid of R.R. 4, Stirling. Best wishes only. 49-1

Mr. and Mrs. Lewis Reid will be pleased to receive relatives and friends at Deloro Hall on December 10th from 2:00 to 5:00 p.m. on the occasion of their 50th Wedding Anniversary. 49-1p

Mr. and Mrs. Brian Dyck and Jody returned to Sault Ste Marie on Tuesday after spending the past three weeks holidaying with Mr. and Mrs. Gord Pigen.

Eldorado Couple Honoured On 40th Anniversary

On Saturday, November 25th, 1972, Mr. and Mrs. Cecil Blackburn of Eldorado were pleasantly surprised on the eve of their 40th Wedding Anniversary to sit down to a lovely ham dinner served by the United Church Ladies. Present to enjoy the meal with them were their sons and daughter, Glenn, Floyd and Marlene and families, their brothers and sisters and their wives and husbands, as well as Reverend and Mrs. W. Sedgwick.

Rev. Sedgwick offered grace before the meal, and later congratulated the happy couple with best wishes on this occasion.

Glenn, as master of ceremonies, congratulated his parents on behalf of the family. A sister of the bride, Jean, reminisced some humorous events of their courting days in her remarks.

The best man of forty years ago, a brother of the groom, Leonard Blackburn, and a sister of the bride, Lois, each congratulated the honored couple, who replied with appropriate words.

Later in the evening many friends and relatives attended the Open House, which was also held in the Eldorado United Church basement. The tea table was centered with the two-tier anniversary cake made and

decorated by Mrs. Philip Conley.

The sisters and sisters-in-law pouring tea were: Mrs. Gerald Blackburn, Mrs. Melvin Johnson, Mrs. Clarence Vanclef, Mrs. William Blackburn, Mrs. Leonard Blackburn and the groom's aunt, Mrs. Ken Bateman. Members of the immediate family served the lunch, while the bride's brother, Max, entertained at the piano with many joining in for a sing-along.

The bride and groom of forty years were the recipients of many beautiful gifts and cards.

Former Eldorado People Die In Crash

Mr. and Mrs. Ralph Anglin recently informed the Review that a former Eldorado couple, Mr. and Mrs. Robert L. Benning, were killed in a car accident on the weekend of November 11th, along with two of their sons, John 25, and Donald 19.

Many people in the area will remember Robert and his wife Louise when they owned and operated a general store in Eldorado. The store burned to the ground when it was under their ownership and they moved away shortly after that.

The accident occurred on Highway 401 near Newcastle while enroute to Brantford. Apparently, their 27-year-old son, Paul, who was driving, lost control of the car, crossed the medium and collided with another car before hitting a tractor-trailer. Paul was the only occupant of the car to survive. Both Mr. and Mrs. Benning were 59 years of age.

The Bennings have two surviving daughters, Dorothy and Donna, who are both married, and another son, Allan, 29.

TOPS NEWS ONI46

The Open for this week and winner of the rose was Irene Martin, with a loss of four pounds.

There were sixteen ladies present. The total losses for the week were 16 1/2 pounds, and the gains were 13 1/2.

Five ladies from Gilmour were guests at this meeting. They outlined how their club operates. Everyone enjoyed their visit.

**EVERYBODY NEEDS IT
AT LEAST ONCE**

By BILL SMILEY

It seems to me that kids don't have much fun anymore. Today I was reading a short story with a group of, eighteen-year-olds. It was about a shy, flustered spinster out on her first public date with a widower who was courting her. They went to a dance. She tripped and fell and her man came tumbling down on top of her.

It was funny, but pathetic, and the kids, who are sensitive to humiliation, exuded sympathy, especially the girls. We talked for a bit about the things that make people shy or awkward or self-conscious: acne, obesity, a colostomy. Fine. A good discussion.

But then I asked if any of them had had the same experience — falling flat on the dance floor. Horrors, no!

Of course, the way they dance nowadays, it's almost impossible to measure your length on the hardwood. Most of them dance by themselves, and it's pretty hard to topple unless you're blind, stoned. On slow pieces, those rare occasions, they are clutched so tightly that it would take a bulldozer to knock them down.

Most of the time, in fact, they don't even dance, just listen to the clatter and thump. And it's pretty hard to fall down on a dance floor when you're not dancing. I mean, it's the sort of thing you have to work at.

Anyway, I just sat back, looked them over, and shook my head. "You kids haven't lived. Nobody has really lived who hasn't gone sprawling on a dance floor, preferably bringing down his or her partner in the process."

There's nothing like it to pare the ego down to size. And it helps if you do it before a large and appreciative audience.

I can recall at least two occasions on which it happened to me. Once was at the Cascades, of fond memory. The second was at the Legion Hall in Tobermory. And I have living witnesses. My wife doesn't know about the second one, so keep it quiet.

But I can well recall the sensation. One moment you are gliding about, leaping and pirouetting, a veritable Rudolph Nureyev in Swan Lake. The next, your pas des deux somehow turns in a pas des trois, you discover that your partner is not Margot Fonteyn, and you're flat on your back, head spinning from the thump on the floor, and a broad who a moment ago was light as a thistle-down, sprawled across you like Strangler Lewis winning the deciding fall.

There's only one thing to do. Leap to your feet, laughing hollowly, and so quickly that the spectators might think it was all part of the performance. They never do, of course. And it's pretty lonely out there in the middle of the floor when your partner, who has been

shamed for life, gives you a look like a cold shower, and stalks away forever.

"What? Don't you people ever go to a country dance and get hurt about?" I badgered my students. Nope.

So I had to tell them what it was like. When I was their age, we used to strike off many a Friday night. Usually for Wemyss, where they had the prettiest girls (Jo and Vera Dewitt, Ursula Brady), and the best music (Lorne Consett on the piano and Mr. Dewitt on the fiddle).

There was no question of taking girls. We couldn't afford it. But there was always the hope that you'd get to take one home. However, they always seemed to have several huge brothers or cousins lurking about.

It was about \$1.00 for the evening. Fifty cents for the dance, eighty-five cents for a mickey of gin, split four ways and the rest for gas for somebody's old man's car.

"Have you never got into a square dance and been literally swept off your feet?" I questioned my girl students. Nope. But some of them looked as though they rather liked the idea.

And I thought of those burly farm boys, getting to the spirit of things and whirling the girls around until the latter were actually flying. Occasionally, sweaty hands spelled disaster, and one of the girls would go flying off into the lurch the ladies were organizing. The lurch was part of the admission fee of 50c.

And I thought of occasions when I had got into a doh-sedoh with a particularly enthusiastic and buxom farm wench, and, because I couldn't foot it like the farm boys, been swung around in circles with both feet three inches off the floor.

A couple of belts of raw gin, and a couple of dances like that, and you were ready and willing to go out into the snow and gaze, palely and greenly at the moon for a half hour or so.

Inside the hall, with a wood stove almost red hot, and a hundred or so bodies steaming, it was always about 130 degrees. And this was in the days before ultra-dry deodorants. But I don't remember anybody smelling anything except hot and perfume.

Eventually, there'd be a fight, or lurch would be served, then it was into the Model A and shiver home through the winter night. No heater.

But, oh, what a night we'd had, and oh, what stories we regaled our less venturesome school-mates with, when we fore-gathered at the pool room on Saturday afternoon.

Poor modern kids. Do they have any fun?

**AN OPEN LETTER TO THE RESIDENTS OF
HASTINGS RIDING FROM JACK ELLIS, M.P.**

Through the facilities of this newspaper I intend from time to time to report to the residents of Hastings Riding as to my activities. I intend that the report be kept relatively non-partisan, for it is my wish to serve all of the people of the riding equally well.

During the campaign I promised that I would become the most accessible Member of Parliament ever in Hastings Riding. That, by itself is going to be a pretty big chore following in the footsteps of Lee Grills, who served the members of this Riding particularly well for many years.

Lee has stayed on in Ottawa, these past few weeks and amidst all the confusion has been a tremendous help in providing advice and guidance in the ways and the workings of the staff and departments in Ottawa.

I am pleased to report that Lee is remembered fondly by every member of staff I have encountered so far, and I think it will be years before the stock of white pencils in the various offices on Parliament Hill are finally depleted. I must also put in a special word for the Member for Prince Edward-Hastings, our next door neighbour, George Hees. George is chairman of our caucus and on our first formal afternoon in Ottawa, ran a training session for the 57 or 58 new members of our party. Being a former minister himself, George knows the "ins and outs" of staff at the ministerial level, where to go, and who to see, and get answers from at that level.

At the present time there is still a great deal of confusion in Ottawa. Offices and staff and telephones have not been allocated as of this printing, and it has not been particularly easy, trying to sort out the many problems. The work load has not decreased one bit in the change-over from Lee to myself. For a short while I was able to borrow some of Lee's staff and use his old office. I hope by the end of next week this will be all sorted out. In this very difficult period it is quite possible that I might miss a very important telephone message or not answer a letter as quickly as I would really like to. Our communications system within the County is working reasonably well and I can be reached from virtually all points within the county by dialling the operator and asking for Zenith 12370.

Ordinarily, a phone message should be returned by the following day and a letter within three or four days, depending on the mails and, of course, the possible delay over a weekend. If you have telephoned me or written to since the election and have not heard from me, please contact me again. In the confusion as I said, it's just possible I might have overlooked someone. This won't happen again but I must beg your indulgence for the past few weeks.

I want particularly to hear from each and everyone of the residents in the Riding, not only when there is a problem but anytime you feel you have something that might be of interest to me, a comment or criticism on my actions or that of the party... anyway that you think I might be of better service to the Riding. It is particularly gratifying to have had some messages of this nature already.

Frankly, it is sometimes easier to answer a letter where you have carefully spelled out all the details of your problems and there is no danger that a message can be copied down incorrectly over the telephone. In order to write to me, you need only address the envelope to me, Jack Ellis, M.P. Hastings, Parliament Buildings, Ottawa. No stamp required. I will give it my full attention as soon as it arrives. I'm suggesting that you write to Ottawa rather than my address in Belleville since beginning the first of December I will have my staff there full time and of course, beginning the 4th of January, I will necessarily be spending a good deal of my time there as well. Should you feel your problem is of a more personal nature by all means, send it to me at my home address: 48 Selena Drive in Belleville. Again, no stamp is necessary and I will give you my full attention.

Just as an aside, I do get the odd letter that is unsigned. Over quite a number of years of public life, I make it a practice to always look at the last page first and if any document comes to me unsigned I destroy it without reading it and as a consequence never know the contents. This doesn't happen very often but I wish to make the point very clear. All matters sent to me are of course, kept confidential and are known to no one except myself and my immediate staff who are sworn to secrecy. If you have something which is of a particularly confidential nature, mark the envelope accordingly, and it will be opened by no one but myself and the contents kept in strict accordance with your wishes.

The telephone of course, offers the quickest way of getting a message to me. My wife, Jean and family are doing a tremendous job of taking messages for me when I am not available and if by chance no one is home, there is an Answering Service so you should get an answer any time during the day or evening, week day or weekend. My home phone number is in the Belleville Telephone Directory, it is 968-5020 and as mentioned earlier, the number for those in the County to call, at no cost to you, is Zenith 12370.

I have about half a dozen calls that I have been unable to return due to no answer or a repeated busy signal (and by the way that's something that you may find at my office, — the phone busy sometimes). A lot of people do call everyday, and you'll just have to be patient and keep trying. Two teen-age daughters and a son of course tie up the phone once in a while but the family have all been very, very good and have kept their personal calls to a minimum.

I have been through the Riding reasonably thoroughly twice since the election. I intend to continue travelling through the Riding until I get to know as many of you as is humanly possible, personally; know your problems, know your community's problems and in this way, and only in this way, can I properly keep my promise that by telephone, by mail and in person, I will become the most available Member of Parliament ever in Hastings Riding.

Yours sincerely,
J. R. Ellis, M.P.

FRIENDLY HINTS**A BREATH OF AIR**

How adequate is your stable ventilation system? Most of us can remember when an open hay chute was considered good enough! But this isn't so for today's barns.

If you found drip spots in your stable last winter, or if the ceiling was consistently wet with condensation, that's a good sign your stable needs ventilation. Now is the time to get any needed work done.

The air that animals breathe out carries a good deal of moisture. A dairy cow will breathe out about 25 pounds (or 2 1/2 lbs. of water) of water vapour in 24 hours. Unless there is provision to get this moisture out of the barn, it soaks into beams and other lumber, shortening the life of the building. The extra moist conditions also make an ideal climate for bacteria and other disease-producing organisms to develop. Improved ventilation may help improve herd health.

Ventilation may be necessary to keep temperatures down to the levels at which our particular kind of livestock or poultry will produce most efficiently. Dairy cows will do best at temperatures in the 50-55 degree range. Hogs like it a little warmer — some experts recommend about 60 degrees, others as high as 70.

The ventilation process gets rid of stable moisture by drawing in relatively dry outside air to soak up moisture inside, and then blowing it out. A given volume of air will hold just so much water vapour, depending on the temperature. Moisture capacity drops very rapidly as the temperature goes down. This means that the outside cold air in winter usually has a high relative humidity, or is near its water holding capacity which is low at the cold temperature. As soon as that same air is warmed up in the stable it becomes relatively dry and can take on a good load of extra water.

One problem in ventilating stables is to move enough air through the barn to carry out the moisture without making the barn too cool. Insulation will help prevent heat loss through the walls, and leaves more heat for warming up the cold air. You can only go so far in improving the insulation in an old building, but a new one should be planned carefully.

A good ventilating system has adequate air inlets located in the right places. For help on this as well as in fan selection and location, contact your Co-op equipment supplier. It is important that fans have enough capacity and are properly installed. Be sure the exhaust fans are located on the side of the building away from the prevailing winds. A strong wind blowing against the fan will seriously hamper the flow of air.

MADOC BAPTIST CHURCH WOMEN'S MISSION CIRCLE

The November meeting of the Women's Mission Circle was held at the home of Mrs. George Warbrick on Monday, November 27th at 2 p.m. Mrs. Moorcroft presided. Hymn, "My Jesus I Love Thee" was sung. Mrs. Moorcroft led in prayer and conducted a quiz on Bible places. Roll call was answered by repeating a verse of scripture containing the word everlasting.

Minutes of the last meeting were read. Next meeting is to be on December 18th at 2 p.m. at the home of Mrs. Gates. Mrs. Rauws' group is to be in charge. Mrs. Wood, group leader then conducted the devotional part of the meeting. Mrs. Wood led in prayer and gave the theme: "Gospel or Bible suppers."

She read a poem, "Come home, It's supertime." First.

OBITUARY

MRS. JAMES C. KEENE

R.R. 1, Madoc

Lifelong resident of Madoc Township, Mrs. Mary Evelyn Keene of R.R. 1, Madoc died suddenly enroute to the Belleville General Hospital, on Saturday, November 18th, 1972. She was in her 70th year.

A daughter of the Late Mr. and Mrs. Charles Robinson, Mrs. Keene is survived by her husband, James C. Keene, one son, Robert J. Keene of Bowmanville, one sister Miss Victoria Robinson of Peterborough and three brothers, Bruce, Daniel and Frank Robinson all of R.R. 1, Madoc. There are two grandchildren. Two sisters and one brother predeceased her.

Mrs. Keene was educated at Rupert's School, Madoc Township and Madoc High School. She was a member of the Madoc Free Methodist Church and was active in the work of the church when health permitted.

Mrs. Keene resided at the MacKenzie Funeral Home, Madoc until Tuesday morning, November 21st, then at the Madoc Wesleyan Church where service was conducted at 1:30 p.m. by Rev. Gerald Kemp.

Interment took place in O'Hara's Cemetery where committal service and prayers were offered by Archdeacon N. R. Stout of Peterborough.

Bearers were: William Robinson, Kenneth Burns, Milton Robinson, Leonard Smith, Carl Robinson and Douglas McCoy.

One juvenile has been charged as the result of shoplifting in the Village of Madoc.

Saturday night a call was received reporting a large quantity of hay on Highway 7 between Highway 62 and the Fairgrounds Road. The hay was removed before any accidents occurred.

Thirty other general occurrences were reported, such as; lost trailer marker, compassionate to locate, family dispute, traffic control for funeral and one found bicycle.

LICENCE PLATES ON MOTORIZED SNOW VEHICLES

Section 2(3) of the Motorized Snow Vehicle Act states that: Every Motorized snow vehicle while being driven shall have

attached to and exposed on the front thereof, in a conspicuous position, a number plate furnished by the Department showing in plain figures the number of the permit issued for the current year or any part thereof.

Because the plates carry the year 1972 many people feel that they do not expire until December 31st of 1972. This is not so. If the owners of these snow vehicles would check the upper left hand corner of their ownership they will find that the 1972 plates expired on October 31st, of 1972 and 1973 plates are required after that date. This applies whether or not the snow vehicles are driven on or off a highway.

MINOR SPORTS REPORT

(By Bev Browning)

Madoc Juveniles dropped a pair of games last week by identical 4-1 scores. In Picton a goal by Jordan Elliott assisted by Peter White and Brian Smith tied the score 1-1 in the second period but a second period goal and a pair of goals in the third period by Picton put the game out of reach for the Madoc lads.

In Madoc last Thursday night an early first period goal by Jordan Elliott assisted by Peter White and shut-out hockey by Gary Eaton gave Madoc a 1-0 lead over their Tweed counterparts until the seven minute mark of the third period. In the last minute a tired Madoc squad conceded goals to B. Invers, Palmateer, R. Rivers and Colneyea and went down to defeat 4-1 for the second time in as many games.

Madoc played well for two periods on Thursday night but you can only get so many miles to the gallon before you run out of gas. The local team isn't saving enough for the third frame and in the last three games have fought to a draw and lost two encounters in the final stanza.

Madoc Bantams met Wellington twice last week. In Wellington a pair of goals by Steven Johnston and singles by Robert Nickle and Stewart Carswell earned the Bantams a 4-4 tie. Carswell also picked up a pair of assists of Johnston's goals.

In Madoc, Friday night Wellington handed the local squad a 4-2 setback. Steven Johnston again added a pair of goals with assists going to Robert Nickle and Larry Bailey.

The Madoc Pee-Wees, playing like the California Golden Seals against Toronto, dropped a pair of games to Bancroft last week. On Thursday night a fast skating, positional-playing Bancroft squad, easily skated over the local Pee-Wees 13-0.

In Bancroft on Saturday, the Pee-Wees were again shut-out to the tune of 8-0. Bancroft scored five goals in the first ten minutes of play and then coasted to an easy victory.

Lack of offense and lackadaisical defensive work also contributed to the Madoc defeats. (Probably better coaching is needed).

The Madoc Mighty Mites journeyed to Bancroft last Saturday morning and returned with a 2-1 victory. Scoring for Madoc was Randy Gray assisted by Billy Bateman and Paul Mason assisted by Timmy Willemssen. This win pulled Madoc's record to an even five hundred percentage after two games.

The Mighty Mites play their first home game this Saturday afternoon at 3 p.m.

Madoc Novices after two defeats are finally starting to roll as they downed Stirling in Stirling last Friday night 4-2.

WEDDING

MR. & MRS. EUGENE F. MERAW

MERAW - MacFARLANE

Sacred Heart of Mary Church, Madoc, was the scene of a pretty wedding on Saturday, September 16th, 1972, at two o'clock when Trudy Leigh MacFarlane, daughter of Mr. and Mrs. Douglas MacFarlane of Burkes Falls, Ontario, was united in marriage to Eugene Frederick Meraw, son of Mr. and Mrs. Edward F.

MR. & MRS. ROGER LEE YORK

YORK - WATSON

St. Andrew's United Church, Queensboro, was the scene of a pretty wedding at 4:00 p.m. on Saturday, November 25th, 1972, when Lynda Ellen Watson, daughter of Mr. and Mrs. Ralph Byron Watson, of R.R. 3, Madoc, was united in marriage to Roger Lee York, son of Mr. and Mrs. James York of R.R. 1, Surling, with Reverend W. Sedgewick officiating.

Mrs. Jean Bailey of Cooper provided traditional wedding music.

The bride, given in marriage by her father, wore a floor-length gown of white velvet enhanced with fur trim around the cuffs of the full-length sleeves and encircling the skirt. She wore a shoulder-length bouffant veil with scalloped edges and carried a bouquet of red roses.

Maid of honor, Miss Linda Sexsmith, a friend of the bride, wore a floor-length gown of green velvet and carried a bouquet of white roses with yellow carnations. Bridesmaid was Miss Bonnie Watson, sister of the bride. She wore a floor-length gown of pink velvet and carried white and pink mums.

Mr. Lloyd Watson, brother of the bride was best man, and ushers were Messrs. Marl Ray and Bobby Watson.

For the reception held in the Cooper Community Hall, the mother of the bride received the guests wearing a street-length tan dress and jacket ensemble complimented with a corsage of yellow carnations. Assisting, the groom's mother wore a street-length sand colored dress and a corsage of yellow carnations.

A three-tiered wedding cake, topped with a miniature bride and groom in a lace archway, decorated the brides table.

Out of town guests were present from Oshawa, Foxboro and Lakefield.

The couple are residing at Madoc, Ontario.

which fell into a train at the back. A satin bow decorated the front waist. The gown featured a wedding-ring collar with a scalloped edge and full length puff sleeves gathered to a long, narrow cuff. She wore a dainty headpiece with a bouffant fingertip veil and carried a cascade bouquet of red roses and trailing ivy.

Mrs. Douglas McArthur of Toronto was her sister's matron of honor. She wore an empire-waisted floor-length gown of yellow peau de soie featuring an overskirt with the front split edged in wide bands of lace, long full sleeves with narrow cuffs and a stand-up neckline. She carried a nosegay of white and mauve mums.

Senior bridesmaid, Mrs. Victor Gallant, was dressed in a mauve gown fashioned identical to that of the matron of honour. Two sisters of the bride, Charlene and Marlene MacFarlane, were Junior bridesmaids. All wore mauve gowns of matching material featuring short puff sleeves with a dainty lace trim and stand-up ruffled collars. They carried yellow and white mums. All bridesmaids wore rosettes of peau de soie in their hair. Another sister, Kimberley Anne MacFarlane, was flower girl. She wore a mauve gown to match the Jr. bridesmaids and carried a basket of yellow and white mums with ribbon streamers.

Bestman was Douglas Pogue Jr. of Madoc and ushers were James Meraw, brother of the groom, and Douglas and Dennis MacFarlane, brothers of the bride.

Receiving the guests at the reception held in the Parish Hall, the mother of the bride wore a floor-length sheath-style gown in soft blue crepe with three-quarter length sleeves. Her outfit was complimented with silver accessories and a corsage of yellow roses.

Assisting was the groom's mother in a floor-length pleated gown in deep pink chiffon with

MOSTLY ABOUT SOMETHING

(but not necessarily)

(By BEV. BROWNING)

Well, how did you enjoy the Madoc Santa Claus Parade this year? How did you compare it to last year? Stuck for answers — sure you are. Why haven't we had a parade in the past two years? I can only guess.

In most small villages there are those who "will" and those who "won't". When those people who "will" join those who "won't" what does that leave us. (not stuck for that answer I bet).

Who can blame them. We take the "wills" for granted. We grumble and complain on how they run things and fail to give credit where credit is due. The "wills" just get tired of doing it every year (You see the "wills" are usually a "minority" group in any organization that has a "payroll of nil"). C'est dommage. We are all too busy. Well Johnny, Mary, Sally and Bobby maybe next year — maybe.

But You Didn't Know Dept.: Budgerigars can tread water. For the third time in the past six months our budgie has fallen through a small hole in the metal aquarium top and practised his treading water.

When he tried this trick last week he must have tread water for thirty seconds before it dawned on me that something was scaring the goldfish. (His wings flapping on the metal lid also gave me a clue. I also know goldfish don't have wings).

I guess I'm going to have to hire a life-guard for my aquarium.

Has Anyone Seen Me Lately Dept.: On returning from a hockey game played in Tweed recently one of the Pee-Wee hockey players whom I coach made the following comment.

"Teachers make lousy hockey coaches." When Charles Gordon (a teacher) questioned the player on my coaching ability the player further commented.

"He's not a teacher, he's a Vice-Principal."

Well the Christmas lights and decorations that are up are sure brightening up this old town. Each week I like to drive up and down the streets of Madoc and each week it gets brighter and more beautiful.

I was able to string some lights up outside this year. You'll probably see an excellent job on the front and a mediocre job on the north side. You see I did the front and Charles Gordon did the north side. (Oh-oh - I think those north side lights are going to disappear after that last statement).

Actually, if Charles hadn't come along I wouldn't have any lights up on the north side. I don't like heights. I get nose bleeds and dizzy spells if I stand on a chair).

Glen-Nickie, who figures I'm a dough-head when it comes to anything mechanical, would have been proud of me. The way I handled that ladder and the way I hammered those little hooks in the walls that were supposed to be screwed in. He would have been disappointed though if he had seen the way I strung the first set of lights. (I strung them up backwards - that is, the plug with those two little prongs were strung up at the end furthest from the plug-in).

So if you want your outdoor lights strung up you better forget about me. You could see Charles, though — he has lots of "free time."

I wish the store-keepers and O.P.P. would get busy and do their duty. You see my daughter Sherri-Ann is a shoplifter — she lifts toys, chocolate bars, cheerlies, etc. The storekeepers hold out their hands for my loss change and the O.P.P. won't arrest her because they claim they haven't a pair of handcuffs small enough.

Sherri is starting to put phrases and small sentences together. Cute phrases such as "Daddy's cuckoo", "Mommy's cuckoo". I've been trying to teach her to tell the truth like — "Daddy's handsome". This is done to no avail. All she does is shake her head sideways. (By the way, she also tries to get into the aquarium. Um-m-I wonder if she can tread water.) Sometimes she acts like a two year old.

If my column is missing any week it's probably because of two reasons. (1) The wife is working me too hard or (2) the O.P.P. has confiscated my column so it won't be again banned in Huntingdon Township. (That's worse than having it banned in Dunnville).

Murrah — I made it through a column without saying something nasty about my mother-in-law. (I was making her a martyr and making myself the villain.)

I must make a trip down her street and see what her dumb old decorations look like. I'll probably see her standing on the roof of the garage wondering where it would be best to put the Christmas tree. (Well, I just about made it through a whole column).

Till next week — "Say something nice to somebody you dislike. They'll figure you are up to something."

EUCHRE WINNERS

An exceptionally good crowd of seventeen tables were present at last Monday night's Euchre Party in Sacred Heart Parish Hall.

Winners were: Ladies High, Mrs. Whalen; Men's High, Mrs. Lillian Nolan; Consolation Prize, Mrs. Tom Delane; Door Prize, Bernice Reid; Most Lone Hands, Mrs. Lillian Nolan.

CARD OF THANKS

Thank you to all my friends and relatives, for their kindness, when I was in the hospital.

Thanks to Dr. Dosaj, Dr. Derry, Dr. Peterkin and the nurses on level four.

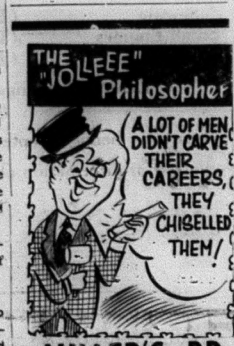

Bernadette Ray.

IN MEMORIAM

SHIELDS — in loving memory of a dear Mother and Grandmother, Mary Alma, who left us one year ago, December 10th, 1971.

Two tired eyes are sleeping.
Two willing hands are still.
Only suffered one day.
Now resting in God's will.
We will always remember,
The way she looked,
The way she spoke and smiled,
The things she has said and done,
Are with us all the while.
For down 'the lane of memories,
The light is never dim,
Until the stars forget to shine
We will remember her.
Sadly missed by daughter
Mary, son-in-law Raymond and family.

KALADAR

The highways here were pretty slippery Saturday night. Some people have had their snowmobiles out already. They can't hardly wait until more snow comes so they can go on trips with their snow machines.

The young people held a sock hop in the Kaladar Community Hall Friday night, which turned out satisfactory. We give them credit for their efforts.

We are sorry to hear that Freddie Shier of Oshawa, formerly of Kaladar, was killed in a car which hit a rock cut on Flinton road early last Thursday morning. Billy Baker was with him and went to the hospital. Our sincere sympathy to his parents, Mr. and Mrs. Emerson Shier, and family of Kaladar.

We are glad to hear Mr. Harold Kirkham is home from the hospital and feeling fine.

Finally, they are starting to fix 41 Highway south of No. 7, giving work to some lads who needed it.

Mr. and Mrs. Jim McDermott had her parents visiting them on the weekend.

Congratulations to Mr. Jimmy Hayes and his wife of Kaladar who were married Saturday. Mrs. Hayes is Mr. and Mrs. Russell Knight's daughter.

Kaladar Community Club are having Euchre Games every Thursday night in the Community Hall. Please try and get out and enjoy yourselves. There won't be a Euchre on December 21st as there will be a Bingo instead.

We are sorry to hear that Olive Tryon's son (Jamie) is in Belleville Hospital with pneumonia. Wishing him a speedy recovery.

HASTINGS COUNTY BOARD OF EDUCATION MEETING

A regular meeting of The Hastings County Board of Education was held in the Board Room, 208 Bridge St. East, Belleville, at 7:30 p.m. Monday Evening, November 27th, 1972, with all members present except Mr. R. Weaver.

E. Robinson — L. Gunning — that the Minutes of the regular meeting of November 13th, 1972, be approved as presented. carried.

M. Smith — J. Clarke — that a request from The Hastings Prince Edward County Roman Catholic Separate School Board regarding cooperative early dismissal of students for the purpose of professional in-service programmes for teachers be tabled until the report of the Minister is forthcoming; and with the recommendation that it be brought forward at that time. carried.

E. Hawley — M. Waller — that the Board approve De-benture Bylaw No. 24 covering the second half of the required

amount for the construction of the North Hastings Senior Elementary School. The principal amount is \$408,000 dated 1 January, 1973 and payable in 20 annual instalments, with interest at the rate of 7.34 %.

M. Smith — M. Waller — that the Chairman appoint two trustees to attend the Region 9 Workshop on Thursday, December 7, at 2:00 p.m., regarding H.S.1. carried.

Chairman D. Williams and Trustee J. Clarke will attend the above-mentioned workshop.

N. McKibbin — J. Forbes — that the accounts for October, as presented by Business Administrator K. Wormald, be approved. carried.

N. McKibbin — M. Smith — That the bylaw setting forth Organization Procedures and Rules Governing The Hastings County Board of Education and its Employees, dated April, 1970, be repealed, and that the bylaw as presented by the

Board's Bylaw and Policy Committee be substituted for the rescinded bylaw. carried.

N. McKibbin — J. Clarke — that all Policy Statements approved by the Board since January 1, 1969, be repealed and that the Policies and Regulations, as presented by the Board Bylaw and Policy Committee, be substituted for the repealed Policy Statements and be enacted by the Board. carried.

Mrs. J. Hutchison — E. Robinson — that the following items of business be considered in Committee of the Whole: Report from Indian Liaison Officer, Resignations and Retirements; Release from Contract; Maternity Leave. carried.

J. Forbes — M. Waller — that the Board resolve into Committee of the Whole. carried.

Trustee Carl Brant expressed appreciation, on behalf of the Mohawk Band Bay of Quinte Council, for the excellent cooperation and assistance extended by the Board administration and staffs to Mr. Les Claus, Indian Liaison Officer at Moira Secondary School. Mr. Brant expressed the thought that the assistance given by the various members of the staff has been most valuable and in many cases it enabled several Indian students to proceed to institutions of higher education.

N. McKibbin — R. Rowe —

that the Board accept the resignation of Mrs. Patricia M. Chanson of Frankford Public School, effective December 31, 1972, and of Mrs. Edith L. Wagar of Bayside Public School, effective June 29, 1973. carried.

E. Fairman — J. Spry — that the half-time contract of Mrs. Joyce O. Fraser (nee Campion) be terminated by mutual consent November 21, 1972, on health grounds. carried.

L. Gunning — M. Smith — that the contract of Mrs. Donna L. Pratt (nee Hinds) be terminated by mutual consent November 17, 1972, on health grounds. carried.

Mrs. J. Hutchison — J. Spry — that Mrs. Mona H. Tummson

be granted unpaid maternity leave for the period January 1, 1973 to August 31, 1974, with return duty September 1, 1974. carried.

J. Forbes — Mrs. J. Hutchison — That in those elementary schools in which a decrease in enrolment occurred in September, 1972, no reduction be made in the secretarial allotment until September, 1973, subject to: (1) the enrolment remaining at the reduced amount or lower at that date, and (2) the Principals and Secretaries Office Assistants being advised of the planned changes immediately. carried.

Mrs. J. Hutchison — J. Spry — that the meeting adjourn, including Acceptance of the Report of the Committee of the Whole. carried.

Handling Unsatisfactory Products

With thousands of items moving through a food market every week, even with the strictest quality control measures, it is inevitable that the occasional food item will be unsatisfactory.

When this occurs, Mr. IGA is most anxious to be informed as quickly as possible. In this way the customer receives a prompt replacement or refund and IGA can implement a prompt inquiry as to why an unsatisfactory product had not been detected before it reached the consumer. This isn't a "what-if" happens. When it does, we want to know why it did, and then take measures to prevent it from happening again.

Most important is to give the store the code number on the can, jar, or box that was unsatisfactory. In this way, you will help us achieve the greatest possible degree of product perfection. Mr. IGA will be grateful for your help.

OLD TIMERS OF MADOC IN THE EARLY 80's

1. I remember Rev. J. Wishart
In the stone church on the hill
The result of his earnest preaching
In Madoc is living still.
2. I remember Samuel Rollins
Who kept the old brick yard
And the old time village grist mill
Was run by a man named Chard.
3. George Conley kept the Windsor Hotel
A portly man was he
He sold organs and sewing machines
And was busy as could be.
4. Andrew Wright, an old time baker
Also kept a liquor store;
Peter Sinclair kept a harness shop
And John Denn kept a drug store.
5. L. Weiss was Madoc's jeweller
And clocks and watches sold;
Elias Brown had a blacksmiths shop
And many horses shod.
6. I remember Beeton's tailors shop
He made men's suits with care
And Al Campbell was the barber
That shaved and cut their hair.
7. Albert Caldwell made good harness
That drew some heavy loads
Malcolm Bristol made sleighs and wagons
That travelled on the roads.
8. There was also Jim White's laundry
And O'Flynn kept dry goods store
With B. O'Hara for partner
In that old time corner store.
9. Cross and Mouncey too sold dry goods
And Miss Elliott bonnets made
John Harper kept a bake shop
And catered to the trade.
10. Hiram Riggs drove a peddling wagon
And William Moore made shoes
John R. Orr published the paper
That gave us all the news.
11. Marshall Maybes kept a furniture shop
And undertaking too
John Dale used to keep a hardware store
And sold good tinware too.
12. A. A. MacDonald was the lawyer
Could tell you what was law
David Bowen made bread and pastry
As good as you ever saw.
13. Old Mrs. ——— sold whiskey
And when men got wild and shrill
B. C. Sills the cop, would take them
To the lock up on the hill.
14. William McIntosh the inspector
Used to visit public schools
I remember some of the teachers
Who taught in the model schools.
15. Old Father Davis the parish priest
Had a parrot that could talk
And when Dr. Sutton passed the door
Bad names at him 't'would squawk.
16. And David Clarke sold dry goods
He gave an honest yard
C. A. Wilson too sold books and drugs
And Jas. Whytock meat and lard.
17. Reva. Egan, Maybes, Marsh and Hutton
In the M. E. Church held sway
The result of all their labours
Will be known on Judgement Day.
18. Then there was Maggie Latimer
Taught the Primary Sunday School
Who never forgot the children
When they outgrew her class in school.
19. And many a man and woman
In these times of bustle and go
Will remember that faithful teacher
In the years of long ago.
20. Dr. William A. Dafeo
Cured many a pain and ache
And Dr. J. S. Loomis
Had his office down the street.
21. There was B. Franklin Embury
And also Charlie Nix
They both built barns and houses
And broken things could fix.
22. There was also William Embury
A family large had he
He was grandson of Philip Embury
Of Methodist history.
23. There was Robert Rollins on the hill
And also Richard Brooks
Fred Seymour lived at Hawthorned Den
And Den Gillen with his books.
24. A. F. Wood drew deeds and wills
Hugh Cameron drove the stage
Succeeded by Hulin and Jim Smith
Who lived to a good old age.
25. Then there was a jewellery store
Kept by old Major Rowe
And many a well in that old town
Was dug by blind Mr. Daw.
26. Jimmy Stevens was a mason
And built many a good stone wall
Ernie Seymour and Sills were painters
And painted buildings tall.
27. E. D. O'Flynn was a banker
A good old man they say
And one of those old time groceries
Was kept by Robert Gray.
28. Walter Tucker kept post office
Tom Dunn lives on east hill
And there was also a man named Kirk
Who owned the laver mill.
29. But of all these good old timers
Very few are here today
And those who are left will soon be gone
There are none of us here to stay.

From Mrs. George W. Fox

MADOC SENIOR CITIZENS VISIT FRIENDS AT HASTINGS MANOR

The Madoc & District Senior Citizens Club No. 473 spent a pleasant day recently when 46 members journeyed to Belleville by bus. The first stop was at the Quinte Mall, where everyone had lunch.

The group then proceeded to Hastings Manor, where a delightful hour was spent visiting old Madoc friends, who are residents there.

The next meeting will be the annual Christmas Party, which will be held in the United Church basement on Wednesday, December 20th. This will be a pot luck turkey dinner at twelve noon, followed with an afternoon of singing carols, etc. An exchange of gifts will also take place at this meeting.

LOU PHILLIPS HONORED FOR 27 YEARS SERVICE

Highlight of Kincaid Bros. Christmas Party last Saturday evening was the recognition of a staff member for 27 years service to the store.

Presented with a lovely locket

watch for over quarter-century of faithful service was Luella Phillips of Madoc Township. Special letters of sincere appreciation and congratulations were read to 'Lou' from Mr.

Ray Wolfe, President and Mr. L. Graham, Vice-President, of the Oshawa Wholesale Ltd., and also from Mr. Jack Kincaid, Reeve of Hagersville.

The entire staff and their families, numbering more than

50, enjoyed a roast beef dinner supplied by Mother's Restaurant. Santa Claus was present to see that each of the kiddies received a gift, while the staff exchanged Christmas presents among themselves.

NEW BOOKS AT MADOC LIBRARY

The following are some new books which have arrived at the Madoc Library: Lady of Quality - Georgette Heyer, A new novel set in Bath in the last years of the regency. The Enemy I Kill - Alexander Knox, A brilliant successor to The Night of the White Bear, Incident at Villa Rahmiana - Anne Elliot, A new suspense novel with the background in Morocco. My Name Is Asher Lev - Chaim Potok, A wholly new departure for the author of The Chosen. A Marriage of Convenience - Elizabeth Rostisser, A story told with humor and compassion, a novel that can be read through laughter and through tears. Feathers in the Fire - Catherine Cookson, A New gothic romance with all the warmth and passion her readers have come to expect. Victoria In the Wings - Jean Plaidy, The Eleventh and final volume in the Georgian Saga.

Cheesemaker Wins Prizes

Foxboro cheesemaker, Mr. Ted Foley, was winner of a number of prizes and awards at the annual British Empire Show held in Belleville recently.

Mr. Foley received fourteen first prizes, seven second prizes, the Clarke Rollins Award, the Lee Grills Award, and as well, two lovely trophies.

A banquet was held at the conclusion of the Show, during which the awards were presented. Formerly a worker at the Eldorado Cheese Factory, Mr. Foley has been cheesemaker at the Foxboro Plant near Corbyville for the past few years, during which time he has received numerous prizes at various fairs and cheese shows.

PLANS UNDERWAY FOR EDUCATION WEEK

Having held their first couple of meetings already The Hastings County Education Week Committee is making preparation for "Education Week 1973."

At the initial meeting the various committees were set up and certain aspects of the plans were assigned to each.

At the second meeting, held on Wednesday, November 29th, in the Madoc Township Central School, the committee reports were presented.

The Awards Committee reported that they had held a meeting at which a budget was set up for expenses expected to be incurred in preparing for the Sir MacKenzie Bowell Trophy, to be awarded to the Educator of the Year.

The Committee wondered if they have the privilege of bringing in the final decision. They were assured that they did unless they encounter difficulty, in which case they were requested to submit the finalists to the committee of the whole for decision. In any case, their decision will be subject to approval of the committee of the whole.

The newspaper committee submitted the various bids from printers for the proposed Education Week paper, and the possibility was narrowed down to two printers. However, keeping the budget in mind, a suggestion was made that the Board be approached about placing a four-page insert with a special Education Week heading in the regular Board paper.

A report from the publicity committee showed that plans were being made for a breakfast for attendance by representatives of every school in the County, up to a maximum number of people. Mr. Chuck Mowat reported that he has approached Mr. Frank Murray of C.J.B.Q. Radio on the possibility and costs of a three-way hookup for the breakfast. A suggestion was made that a student from each area present a short address in place of having a guest speaker this year. The estimated budget required for the breakfast was submitted.

L.T.R.C.A. TO MEET NEXT WEEK

The Lower Trent Region Conservation Authority will hold a general meeting in the Department of Agriculture and Food Building at Brighton on December 19th commencing at 8 p.m. All interested citizens welcome.

CONFIRMATION RECEIVED

The Village of Madoc has received confirmation that they will be able to purchase property on Wellington Street for Senior Citizen Housing.

An offer to purchase will be made immediately.

TOPS NEWS ON1146

Queen for this week and winner of the rose was PEGGY Johnston, with a loss of 3 1/2 pounds.

The total losses of the week were eight pounds and the gains were four pounds.

The Queen for the month of November was Glennie Lee, who had lost 6 1/2 pounds.

HOCKEY COACHING CLINIC TO BE HELD IN MADOC

On Sunday, December 17th between the hours of 1:00 - 4:00 p.m. a hockey coaching clinic will be held in Madoc under the direction of Mr. Ron Smith.

Ron Smith, Technical Director

for the O.A.A. will present the following clinic program.

1 - 1 1/2 hours - lectures and films on the fundamentals and teamwork with emphasis on "How To Do It."

1 - 1 1/2 hours - ice participation session on fundamentals and teamwork with emphasis on "How To Coach, drills, etc."

1 hour - on philosophy, strategy, organization, discussion, questions and answers.

To date thirty men from Madoc, sixteen from Tweed and ten from Marmora have agreed to attend. If you haven't been contacted and you wish to attend, contact Bev. Browning 473-2440, Madoc and I'll register your name. Cost for this clinic is one dollar per man.

All interested parties are advised to meet at the Madoc Gymnasium at one o'clock.

Please use the rear, west entrance. This entrance will be open at 12:30 for registration.

The ice time scheduled for this clinic will be between 2:30 - 3:30 Sunday afternoon so it may interfere with or cancel open skating this Sunday.

No skates are necessary for the ice participation, but a scratch pad and pen may come in handy for the lecture and film. I believe a printed booklet summarizing the clinic will be handed out.

MADOC VILLAGE COUNCIL MINUTES

The regular monthly meeting of the Madoc Village Council was held in the Council Chambers on Wednesday, December 6th, 1972 at 7:00 p.m. with Reeve T. C. Barton and Councillors Robt. Kirkwood, Kel Kincaid, Robt. Graham and Clayton Smith present.

Clayton Smith - Kel Kincaid - that the minutes of the last regular meeting be adopted as circulated.

**MAN'S INHUMANITY
GOES ON AND ON AND...**

By BILL SMILEY

There's a typical Canadian tragedy in the making right now, and it may be too late to avert it, unless there is a hue and cry that will rattle the halls of parliament.

I use the word "typical" because it has happened again and again in this country, and we have lived to regret it. Prompted by political or pecuniary motives, Canada has gone a long way toward destroying its very self and the things that make it most dear to the average Canadian.

I am referring to pollution and the disturbance of the balance of nature. In the name of progress we have fouled our own nest, time and again, until an outsider would think we enjoyed living in our own mess.

Item. Lake Erie, with some friendly help from our old buddies, the Yanks, has been turned into a vast cesspool, which is almost unrecognizable.

Item. Paper mills and other industries have been pouring their poisons into Lake Superior for years.

Item. If you took a drink of water out of Hamilton bay, you'd probably be rusting within twenty-four hours.

Item. Huge industries continue to belch into the air over our big cities, until you'd think there was a continual fall of black snow.

Item. Two of our magnificent rivers, the Ottawa and the St. Lawrence, are running, open sewers.

That's a very brief sampling. And now that idiot Bourassa, prime minister of Quebec, in an attempt to save face after mishandling everything from the FLQ kidnappings to the unemployment situation, has launched the James Bay Project.

Maybe you don't know much about it, and it's all so far away that it's like a flood in China.

But that's what we thought about all the other signs of "progress", is it not?

"Oh, they'll never pollute the Great Lakes. They're too big. So dump the garbage boys, and flush out the tanks."

"What? Pollute the Ottawa and the St. Lawrence? Impossible. Too much running water. Why should we build a sewage disposal plant? Let 'er run into the river."

"Don't be stupid. Squawk about the big plants polluting and there won't be no jobs for nobody."

We've said it all, and heard it all. But what heritage are we leaving behind for our children, and theirs? A great big pile of you know what.

Letting Bourassa and his boys play around with the James Bay project is like letting a couple of bright science students play around with a nuclear bomb.

Here's the picture. The Quebec government plans a hydro project in the James Bay area.

one of the last great wilderness areas in eastern North America. It is a mammoth scheme. Some estimates place the cost at \$10 billion. Yep. Billion. Where is that kind of money going to come from?

Plan is to tinker with up to ten dams and seven rivers which run into James Bay. The damage to the area affected, 170,000 square miles, larger than the whole United Kingdom, is incalculable.

The sub-soil, known to be unstable, has taken hundreds of years to build up on the solid rock. The tremendous weight of water in the artificial lakes - some of them 70 miles long - could cause earthquakes, landslides, who knows what?

The lakes themselves are big enough to affect the climate of the whole area. Worse, the change in freshwater flow into James Bay could delay the spring breakup in the Bay, and make winter longer. This could affect the temperature of the water flowing out of Hudson Bay, which joins the Labrador current going south, and this in turn could make the whole eastern seaboard colder.

Project this a little further and it could affect the entire fishing industry on the Atlantic shores.

And worst of all is the callous disregard of the native peoples of the area. They are Cree Indians, who eke a meagre living from the fish, geese and moose of this bleak area. These people have never been conquered, never sold their land, and never ceded it by treaty. They are to be uprooted and transplanted.

So we have the ironic spectacle of the federal government on the one hand creating vast new national parks, and on the other, condoning, if not approving, the possible destruction of another vast area. This is not progress. This is rape.

And for what? Sure, it will create temporary jobs in Quebec for a large number. A few people will become wealthy.

But it will do nothing for the long-term unemployment situation in Quebec, where unemployment seldom goes below ten percent. In a few years the jobs will be finished, a few guys at push-buttons will be left, and the U.S. will have another source of power. At what cost?

**MADOC MIXED
BOWLING**

Although the scores were not as high as usual a lot of good games were bowled last week and the overall scores are improving. The Lucky Sevens continued their hot streak with a 5-2 win over the Misfits. Stan Assestine 691 (271), Dave Paraniuk 648 (335), Ruth Holmes 624 (250) and Gord Holmes 600 (222) led the winners. Don Forestell 632 (236) was best for the losers with singles by Lealand Richardson (226) and Maurice Goulah (208) helping out to take the second game. The Kingpins out-talked and out-bowled the Happy Gang on the way to a 5-2 win. Mel Caverly 650 (220) and Leon Bernier were tops in this battle with a 212 single by Burrell Bateman helping them get started. For the hot and cold Happy Gang it was singles by Lavina Farrow (243) and Janet Armstrong (198) that averted a shut-out. Joe Bossio's Volunteers came back after a bad start to take a 4-3 split from the Twisters. Betty Woodcock 628 (231), Donna Love 622 (243) and Bob Hiltz 600 (236) led the way with Joe Foley 668 (245, 243) and steady Leo 657 (247, 246) leading the losers. Standings show the Twisters leading with 58 points followed by the Lucky Sevens 50, Happy Gang 49, Volunteers 39, Misfits 33 and Kingpins 23.

UNIT 1, TRINITY UNITED CHURCH, U.C.W.

Mrs. Farrow was hostess to the December Meeting of the U.C.W. Unit 1 with 15 members and 4 visitors present. Mrs. Farrow, unit leader opened the meeting with a prayer for Christmas.

Mrs. Zufelt conducted the Worship Service with a call to worship. "Oh Come All, Ye Faithful," and with all joining in reading, "Arise Shine for the Light is Come." The scripture was taken from Matthew.

Mrs. Zufelt chose as her theme, "Light" and a reading, "The Little Star" was read. Silent Night, Holy Night was sung.

The offering was received and dedicated by Mrs. Zufelt. "O Little Town of Bethlehem" was sung and closing prayer, "The Day After Christmas" by Peter Marshall, was given by Mrs. Zufelt.

Rev. Heard was present and spoke a few words and wished all a very happy time for Christmas.

Mrs. Embury reported 51 house and 16 hospital calls for the month. Everyone was reminded of the change of day for Unit 1, being the 2nd Thursday in the month.

Mrs. Farrow thanked all who helped in any way during her term of office, and Mrs. Brownson presented her with a small gift. Mrs. C. Holmes had charge of the programme. A poem, "Quiet Time" was read and it "Came Upon the Midnight Clear" was sung. Readings were given by Mrs. Holmes, "Santa Goes To The Chiopactor"; Mrs. Brownson, "The Shepherds At His Birth" and "Christmas Everywhere"; Mrs. Bennett, "Moms Christmas"; Mrs. Holmes, "What Christmas Means To You" and "I Found Christmas"; Mrs. Carman, "The Little Match Girl"; Mrs. D. Parks, "Christmas Day in The Morning".

LOOKING BACK ...

50 YEARS AGO
December 27, 1922

The meeting held in the village town hall last Friday evening was not as well attended as on former occasions of this kind, nor was the interest manifested in our civic affairs as keen, yet the hall was fairly well filled. It is unfortunate that the electors take so little interest in Municipal affairs. We will find that if we take no interest in those things that so materially concern us, those things will not be so well managed. Some of last years councillors, and so far as we have seen none of the High School Trustees were even present at the meeting. In order to popularize our High School a social function was held in the armories at the very time that rate-payers were attending a meeting called for the purpose of receiving instruction and explanation of the finances of the village and our two schools. There seems to be a growing tendency to look upon all elections, whether municipal, provincial or Dominion as party or faction fights to test the strength of the contestants rather than the operation of organizations for securing good government. All members of school Boards and Councillors should as a matter of courtesy, if for no other reason attend these annual meetings, give the ratepayers the very fullest information as to their stewardships and invite questions tending to make clear the various problems that come up for solution during the year. Mr. Joseph Burns was elected Reeve and Messrs. Gavin M. Wallbridge, John R. Robertson, W. E. Connor, Walter Whytock and Frank Smith are candidates for the council. The candidates for the Public School Board are Fred Curry, Chris. Henderson, C. John Smith and Samuel Stephens. The meeting for the nomination of a Council for Huntingdon Township was in the Town Hall at Crookston last Friday. Mr. Haggerty was elected Reeve by acclamation. The following were nominated for the Council — George Cook, Robert Noyes, A. B. Reid, Blake Ketcheson, Andy Downey and John D.

Thank you,
Eva L. Brownson,
Clerk-Treasurer.

Blue. The Madoc Township Council will consist of the following — W. H. Kells, Reeve; Hark Rollins, Nicholas Blackburn, Russell Pignen and John Post, Councillors.

Farm For Sale — Four hundred acres, three miles from Gilmour, fifty acres cultivated, nice level land, two houses, large barn, root cellar, ice house, maple bush, tame strawberry patch, good water supply, river runs through large pasture. Enough standing timber on this farm to pay for itself. This is a pretty farm, owner is engaged in other business so will sell above for one thousand dollars. If sold within thirty days will also throw in all the implements without further charge. K. Arkell, Gilmour.

Belleville Markets — New hogs, per cwt., \$10.00; Young chickens, per lb., 30c; Fresh eggs, per dozen, 35c; Butter, per lb., 45c to 48c; New potatoes per bag, \$1.00; Pastry Flour, \$3.60 to \$3.75; New wheat, 90c.

24 YEARS AGO
December 9, 1948

We offer our sincere congratulations to Miss Anne Nickle, who won one of the Carter Scholarships for Hastings County, at the Grade XIII Departmental Examinations held in Madoc High School in June. The Scholarships are awarded for the highest aggregate marks on not more than ten papers in the 1948 Upper School examinations. This is the 35th award of scholarships from J. I. Carter estate of Sarnia.

On Monday, December 6th, the citizens of Madoc Village went to the Polls to elect four members of Council. The three last year's Councillors were returned, along with one new member, Murray Smith, who claimed a seat with the greatest majority. The results were as follows: Murray Smith 309, Philip Rivers 300, Wesley Hul- in 280, Judson McGowan 266, and Percy Derry 225.

Major Gordon W. MacGregor, M.C., of Napanee, was among those who were invested by the Governor-General of Canada, Viscount Alexander of Tunis, at an investiture in Kingston last week. Major MacGregor won the Military Cross at Falaise while with the Canadian Army in the Second World War.

A Detlor taxi driver and Second World War veteran, J. C. Adams, won a 1948 car at the Lions Club draw at Bancroft recently. He had just recently purchased a 1949 model of another make. He bought the winning ticket at Madoc Fair.

Havelock has formed a Boys Town organization, which has already elected its own municipal officials: mayor, clerk, councillors, judge, crown attorney, defence counsel, court recorder, police chief, police sergeant and police constables.

Queensboro — Born to Mr. and Mrs. Ernest Walker, a son, on Sunday night. Mr. and Mrs. Harold Tokley have purchased the Herbertson farm, east of Queensboro.

On Wednesday evening, officers, N.C.O.'s and O.R.'s of "B" Company, Hastings and Prince Edward Regiment (Reserve) attended a parade in Picton Armouries, along with other Companies of the Battalion. "B" Company under command of Major J. Naylor, O.B.E., won the praise of the inspecting Brigadier and Officer Commanding the Battalion for their fine response under the re-organization of the Battalion. "B" Company had fifty-five all ranks on parade and was the largest Company in attendance.

Birth — At Mrs. Keller's Nursing Home, on Wednesday, December 6, 1948, to Mr. and Mrs. Kelvin Kincaid, a son.

15 YEARS AGO
December 19, 1957

A unique accident occurred on Durham Street, about 4 a.m. on Monday morning. A dual wheel came off a transport which was travelling west on No. 7 Highway. The wheel crossed the intersection and struck McCoy's Grocery panel truck which was parked in front of Pignen's Radio & T.V. The side of the truck was caved in and damage is estimated at the neighbourhood of \$100. Had the truck not stopped the progress of the tire it probably would have gone through Pignen's window and a great deal more damage would have been done. Evidently, the driver of the transport was unaware that he had thrown a tire and did not stop.

Miss Amy Delyea had the misfortune to fracture her arm Sunday afternoon, when she tripped over a rug and fell. Mrs. Robert O'Riordan, Sr. had the misfortune to fall at her home fracturing her arm. She is a patient in Belleville General Hospital.

Although it is four weeks since the Royal Winter Fair the Review would like to extend congratulations to Mr. Robert O'Riordan Sr., whose mare "The Duchess of Norfolk," won top honours being declared the Senior Grand Champion Hackney Mare on the line and Senior Grand Champion Hackney

Horse. This is the first time that a horse from Madoc has won such honours and Mr. O'Riordan, who is an ardent horseman, is to be congratulated on owning such a fine animal.

Fire Thursday swept through the printing plant of the Napanee Post-Express, a weekly newspaper in Napanee. Editor Henry Wightman said the fire started at the rear of the plant owned by H. D. Wightman and Son. The interior of the building was destroyed. It is feared all the printing equipment may be ruined. Firemen, battling the blaze in zero weather, succeeded in confining its spread to one building. No estimate of damage was available.

Mr. Hing Lum, Operator of the Moira Cafe, in Madoc, is opening a restaurant in Bancroft. For the next two weeks, while the new restaurant is getting underway, the Moira Cafe will be closed.

Wedding — Sacred Heart of Mary Church, Madoc, was the scene of a lovely late-fall wedding on Saturday, November 30th, when Rev. J. E. Trainor united in marriage Margaret Anne Kehoe, daughter of Mr. and Mrs. Joseph Kehoe, of Actinolite, to Leonard Joseph Delore, son of Mrs. Arthur Bosley and the late Mr. Noah Delore of Madoc.

Death — At Mrs. Alexander's Nursing Home, on Wednesday, December 18, 1957, Thomas C. Caverly, beloved husband of Minnie Wickens, in his 83rd year. Resting at the MacKenzie Funeral Home until 2 p.m., on Sunday, December 22nd, thence to Trinity United Church for funeral service at 2:30 p.m. Interment Lakeview Cemetery.

ST. PETER'S W.M.S.

The Christmas meeting was held at the home of Mrs. Warren Hill. Thirteen members and five visitors were welcomed by the president.

The call to worship was entitled, "Christmas and the Wise Men" followed by a poem, "Lots of Love." The opening hymn, "O Little Town of Bethlehem" was sung with Miss Marion Robertson as pianist.

The roll call was answered by a verse of scripture including the word "gladness." The treasurer's yearly report for 1972 was presented by Mrs. Oria Reid.

Mrs. Hill, convener of the programme, read a message of Christmas, "On Earth, Peace." Mrs. Ken West read the Scripture Lesson, Luke 2: 1-20. The hymn, "O, Come all ye faithful" was sung.

Mrs. Hill read an article by Billy Graham, "Merry Christmas", showing the way to understand Christmas, not in the

light of tradition, but in the light of what the Scripture reveals concerning the incarnation. When the world is so confused and filled with misery what a time to surrender your life and spend a truly "Merry" Christmas.

The hymn, "Holy night! peaceful night was sung followed by the Lord's prayer repeated in union.

A highlight of the meeting was a special musical selection. Mrs. Wm. Aylsworth accompanied four girls from the choir, Janet Hill, Carla Gaebel, Jennifer and Alyson Aylsworth as they sang new Christmas Carols, "Through the Dark Night", "Christmas Day" and "The Good News Song."

A delicious lunch was served by the hostess and the girls.

CARD OF THANKS

We want to say thank you to our relatives and friends who came to our party and home, for cards, gifts, messages, the many acts of kindness and help that were received on the occasion of our fortieth Wedding Anniversary.
Cecil and Alma Blackburn. 50-1

Thanks to all my supporters for my return to council in the Townships of Tudor and Cashes. Wishing you a very Merry Christmas and a prosperous New Year.
Claude Davidson. 50-1

I wish to convey my thanks and my appreciation to the Doctors and nurses of the hospital for their kindnesses "an angel of mercy to me", while I was in the Belleville Hospital. I appreciate the calls of Rev. Thompson, Rev. Hart and Rev. Heard. Thanks also to my friends for flowers and cards of good wishes.
Lura E. Baalim.

IN MEMORIAM

FLEMING - In loving memory of a dear Mother, Mary, who passed away December 17th, 1971.

The dearest Mother
The kindest friend
One of the best
Whom God could lend.
Loving, thoughtful, gentle and true
Always willing a kind act to do.
Sadly missed and ever remembered by son Lloyd, Jean and family. 50-1

FLEMING - In loving memory of a dear mother and grandmother, Mary E. Fleming, who passed away one year ago today, December 17th, 1971. Years of striving, little of play. Loving, giving the whole of the way.

A cherished smile, a heart of gold,
To the dearest mother the world could hold.
Happy memories fond and true
From us who thought the world of you.
Sadly missed and always remembered by daughter Alice, son-in-law Elmer and grandchildren. 50-1p

FLEMING - In loving memory of a dear Mother and Grandmother, Mary E. Fleming, who passed away December 17th, 1971.

This month comes with deep regret
But she left us memories we shall never forget.
Treasure her God in your garden of rest
For in this world she was one of the best.
Sadly missed and lovingly remembered by Reta and George and Shirley and family.

FLEMING - In loving memory of a dear Mother, Mary, who passed away December 17th, 1971.
She troubled no one
Her wants were few
And now, dear Lord,
She is with you.
Take care of her -
As she takes her rest
For as a Mother
She was the best.
Always remembered by daughter Vada and family.

IN MEMORIAM

GRANT - In loving memory of my dear mother, Mary Emily, who passed away December 15th, 1967. Wonderful memories woven in gold.
This is a picture I tenderly hold,
Deep in my heart a memory is kept,
To love, to cherish, to never forget.
We mention your name and speak of you often,
God bless you mom, you're not forgotten.
Always remembered by daughter Wilma, son-in-law Jack, and granddaughter Judy Blair. 50-1p

FLEMING - In loving memory of a dear wife and mother, Mary Elizabeth who passed away one year ago today, December 17th, 1971.
Oh what would I give to clasp your hand,
Your dear kind face to see
Your loving smile, your welcome voice
That meant so much to me.
No one knows the silent heart-ache
Only those who have such can tell
Of the grief that is borne in silence
For the one I loved so well.
Always remembered by husband Richard and son Percy. 50-1p

C.H.S.S. STUDENT POETRY

THE EXISTENTIALIST

Life is mine, now
I have taken it
From others' hands
Grass, trees, lights, 'lands!
Mine to do with as may be
Life is mine,
for
I am free!
Free to laugh, free to cry
Free to love, to hate
To try!
Free to try!
Now
things are
Because I want them to be.
No one tells me
What is wrong
Or right
Or who to love
— or why
My love
is my own ...
my life ...
Is my own
Creation
Kindled to a raging fire
I've come, and
The absurdity has gone
My life is my own.
Mine as I make it
and create it
A field of wants
My wants
In happiness I roam
And my field will bloom
I'll walk in glory
And run in glee
Life in mine
AND
I am free!

Charlotte Bigelow.

MY BALLOON IS BREAKING

It was a big bright blue balloon
We were happy, my balloon and I
I loved it, floating high
I believed it was real and true —
And it grew.
But others around me
Were icy, and frowned on my pretensions
My balloon grew too big —
They are breaking it ...
It always hurts to have a balloon broken
But I must grow up sometime,
So I will cast aside my childish balloons
And try sincerity.

ADOLESCENT HANG-UP

People are,
I suppose,
Although there must be something more
Than just being,
Beyond idle table of peace and war,
Beyond superficial faces and eyes
That really don't see
You
Or me
Beyond existing
There must be some meaning in some smiles
A meaning!
There must be a meaning!
Perhaps in a quiet silence of understanding
And communicating.
But if people just
ARE
Then I don't care to be.

MINOR SPORTS REPORT

(By Bev Browning)

Madoc Mighty Mites received a two goal performance from Randy Gray and superb goaltending from John Sedgwick to edge the Wellington Mites 2-1 last Saturday afternoon in Madoc. The win gives the Mites a 2-1 record after three games.

Although outplayed by the Wellington squad, the Mighty Mites played a tremendous defensive game and an excellent effort by all the players preserved the win.

A mixup in the Novice schedule sent coaches and parents scurrying to get a team ready for Friday night. Apparently a new schedule has been drawn up but Campbellford hadn't received it so they made an appearance on Friday night only to find their host team no where in sight.

The game started late but a Bantam game cancellation caused no problem in completing the game. Final score was Campbellford 8, Madoc 0.

Madoc Legionaire Pee-Wees split their games last week. On Thursday night a three goal performance by Sammy Bossio and singles to Wayne Willemssen, Donnie Moore, Alan Wiggins and Stewart McEwen gave Madoc a 7-4 victory over Frankford. Assisting on the above goals were Donnie Moore (3), Stewart McEwen, Danny Adams, Bryan Nickle, Darrell Peters and Ian Dowe.

In Brighton on Saturday the local Legionaires played well enough to win or at least tie but came away with a 5-2 defeat. Although they lost by three goals the score was deceiving in comparison to the play. This same Brighton team clobbered Madoc 11-4 in Madoc ten days ago.

Glenn Brown scored a pair of goals with assists going to Sammy Bossio, Tim McCann and Stewart McEwen.

Madoc Bantams played Warkworth in Colborne last Tuesday evening and came home with an 8-4 defeat. Stewart Carswell potted a pair of goals while singles went to Larry Bailey and Joe Dowe. Steven Johnston and Jim Moore each picked up a pair of assists while Eddie Devolin assisted on Dowe's goal.

The Madoc-Frankford game scheduled for Friday night was postponed because of weather conditions.

After spotting the Frankford Juveniles a 3-0 first period lead the local Juveniles fought back and edged their hosts 6-4.

Eric Bailey fired in a pair of unassisted goals while Peter White from Jordan Elliott and Garry Buxton; Peter White from Brian Smith; Bradd Downey from Jordan Elliott; and Jordan Elliott unassisted rounded out the scoring.

The Juveniles dropped a 9-7 decision to Brighton in Brighton earlier in the week. Goal scorers for this game were not made available for publication.

O.M.H.A. Schedule — December 14-21.

Mites — Sat., December 16th — Madoc at Wellington (4 p.m.).

O.P.P. REPORT

Since the 1st day of December there has been a total of eight accidents with an estimated total of \$2,600.00 property damaged. Some of the charges laid in connection with these accidents include: Careless Driving, Fail to Share Roadway, Fail to signal when moving from a parked position, and Making a U-turn approaching the crest of a hill where visibility is obstructed.

As the result of three break and enters, \$600.00 worth of goods were stolen.

One charge has been laid under the Motorized Snow Vehicle Act for No Insurance.

Seven persons have been charged with having liquor in a public place and two with minor consuming contrary to the provisions of the Liquor Control Act. Two impaired drivers were charged.

Two disturbances were reported and as a result one male person was charged.

One male person from the Marmora area has been charged with trespassing on private property.

An industrial accident was reported at the Talc Mine on

Tuesday, December 5th, 1972, with one worker taken to Belleville General Hospital with broken fingers.

Recently a Marmora area Juvenile charged with "Possession of Marijuana" and "theft" appeared in Madoc Juvenile Court before His Honour Judge R. J. K. Walmsley, on being convicted on both counts he was sentenced to spend an indefinite period in Pineridge Training School at Bowmanville.

Several vehicles have been reported abandoned due to the weather conditions, but all were removed by the owners shortly thereafter.

Approximately 20 other general occurrences have been reported such as: wilful damage,

shoplifting, and two compassionate messages to deliver.

During the festive holiday season, one of the hazards is the drinking driver. It is a criminal offence to be in care or control of a motor vehicle if you have consumed enough alcohol to register more than point zero eight percent, and it is also a criminal offence to refuse to take a breath test if required to do so by a police officer. Make this a happy and safe holiday season. Remember... If you drink, don't drive.

MOSTLY ABOUT SOMETHING (but not necessarily)

(By BEV. BROWNING)

How long this column will be this week is up to my nose. You see, I caught the flu from reading Bill Smiley's column and caught a cold from Gary Lautens words of wisdom (he writes a column for the Toronto Star). I'm on my sixteenth large box of Kleenex (at least it seems that way). Funny when I get a cold in the nose it's a "big" cold but when I get a cold in the chest it's a "small" one — umm.

To top it all off, Sherri-Ann is having it worse than I am as she has a combination of both, plus she is still teething (I know some of you will say, "wait until you have six or seven and they all have the flu and colds" — but in that case "misery loves company").

"The" wife is also under the weather, so we both find ourselves a little short-tempered at times. No matter how useful you think you are, you really get knocked down a peg when a small sick child reaches up with tears in her eyes and pleads for help and you can't do any more than you have done.

But a lot of families are having the same troubles, so I hope everyone gets rid of the colds and flu so we can all enjoy the festive season that is just around the corner.

Story Worth Retelling: Apparently a post-office had hired a mail-sorter at Christmas time a few years back. He wasn't just an ordinary, everyday type sorter. He had speed, man. He could toss them in from behind his back, under either leg or with his eyes closed.

People came for miles to watch this marvelous, talented man. Each person marvelled at his speed of sorting and the different ways he could sort the mail into all the slots. What a sight!

Finally someone asked him how he could do it so quickly and in such a fabulous manner.

"That's nothing!" exclaimed the sorter. "As soon as they teach me how to read I'll be able to do it even faster."

The decorations around town are looking more beautiful and cheery. Speaking of Christmas decorations I must thank Mr. Gordon's Grade 5 and 6 class for making the Santa Claus and two dogs (not skunks, Mrs. Carman) that I have placed on my front lawn. I've received some very favourable comments, so you did your job well.

Because of last week's column, Mr. Gordon has had at least ten requests to put up outdoor Christmas tree lights.

Note To Teenagers Dept.: There are probably many elderly people who would love to put up outdoor decorations if someone would offer to do so or if someone would take the time to find out if they would like someone to do so.

Special Thank-You Dept.: Each year different organizations give financial help to our Minor Sports Program. This week a special thank-you goes to the Madoc Legion 363.

The Legion for the past several years has supported our Minor Sports Programme and without this help our program would be much more difficult to complete.

Your support is appreciated and I hope our young people will live up to your expectations and show their appreciation by developing their talents and character.

Remember When Dept.: Remember when each year about this time the rural schools were going through the final rehearsals preparing plays, monologues, recitations and Christmas carols for the Christmas Concert.

Then the big night. The school would be packed with parents and friends. Both the teacher and parents sitting with fingers crossed hoping little Jimmy wouldn't forget his lines or little Bobby wouldn't sing out too loudly because he sang off-key (he usually sang the loudest).

Those were the days, my friend. Much work, but a lot of satisfaction when the final curtain went down.

I bet many of you readers can vividly remember some part you played in the Christmas Concert when you went to public school (probably remember best the part you flubbed).

I can remember the last year I taught in a rural school I couldn't get Santa Claus to come to our Christmas party for the students so I had to get a substitute (with Santa's permission, of course). The only thing that went wrong was that my substitute was a two-tone Santa Claus. He had a red hat, white beard, red coat and black boots, but he couldn't get a pair of red pants so he wore a pair of blue pants. After he left some of the smaller students questioned those blue pants.

But the pupils of S.S. No. 10, Hungerford were happy he could make it. You know my father said that was the hardest part he ever played in his life. It's not easy substituting for Santa.

Till next week, let's hope my absent-minded father-in-law remembers to take my mother-in-law to church with him next time.

BUFFERS FOR DEPRESSED BUTTERFAT LEVELS

Depressed butterfat levels in the milk may be noted under certain feeding conditions, notably high energy feeding programs and/or whenever pelleted feeds are used, and in limited roughage feeding programs.

Traditionally 1.5 lbs. of unground forage per 100 lbs. of body weight has been recommended in the ration to maintain normal butterfat percentages. This constitutes approximately 13 of the total ration. Roughage serves a basic role as (1) a source of bulk and fibre to promote normal rumen function; (2) a scratch stimuli ("tickle" factor) to promote the secretion of saliva which contains buffering minerals; (3) stimulates rumen motility; (4) maintains normal fat test through alteration of the acetic and propionic acid ratios and levels in the rumen. Usually less poor-quality fibre forage is required to maintain fat tests than low fibre, high energy forages.

Several additives to dairy rations have an effect in depressed butterfat situations. Buffers such as sodium bicarbonate, magnesium carbonate, and magnesium oxide, have all been shown to raise depressed fat tests. These materials have no effect on normal fat levels. Generally a combination of magnesium oxide and sodium bicarbonate has been found to be the most effective and consistent buffer combination. The usual recommended level is 0.4 lbs. magnesium oxide and 0.6 lbs. sodium bicarbonate per cow per day. Alternatively, levels of 1% magnesium oxide, plus 1.5% sodium bicarbonate in the ration have given beneficial results. The inclusion of mineral buffers in the grain ration may substantially lower the acceptability of the grain ration for lactating dairy cattle.

MNC Whey has been added to dairy rations to raise depressed milk fat levels. 70 lbs. per ton of dairy ration has been shown to give some improvement, however, the maximum response was obtained at 200 lbs. per ton.

In the case of buffers, it is projected that the buffers alter the ratio and levels of fatty acids produced in the rumen. It is projected that the lactose in whey favours the production of butyric acid, one of the basic components in the metabolic fermentation of milk fat in the mammary gland.

A protein deficiency may cause lower levels of milk fat as well as lower yields of milk. One should check the protein level of the ration and make sure that the cows are being fed sufficient protein, particularly on low protein forage feeding systems such as with corn silage.

BELLEVILLE PRESBYTERIAL EXECUTIVE U.C.W. MEETING

Now that the fall rallies are over for the United Church Women of Belleville Presbyterian, the next important event is the Presbyterian Annual. At an Executive meeting held at Trinity United Church, Nanapan, plans for this event were made. It will be held on Thursday, January 25, 1973, at Trinity United Church, Nanapan. The theme is "God in our midst", and the speaker, Rev. W. J. Price, Executive Secretary for the Bay of Quinte Conference, will speak on "The Spirit of Saskatoon". In the afternoon a devotional drama will be presented as the main feature.

Miss Helen Sexsmith, president, opened the Executive meeting at 10:00 a.m. Mrs. Cora Pierson gave a brief devotional followed by business. Portfolio secretaries and chairmen of

standing committees gave their reports. Reports of the rallies by the vice-presidents showed an upswing of interest in fall rallies. Programmes centred around both local and national problems. This was attributed in part to the fine ideas campers brought home from the Quin-Mo-Lac School, and partly to a new desire for involvement among the members. On the subject of year-end reports, some deadlines were set to insure smooth work at all levels. Presbyterian officers' reports to be sent to Mrs. Stenson by Dec. 31; Locals to have green sheet sent to Mrs. Stenson by January 5th; and the orange sheet (new list of officers) as early in January as possible. Local treasurers' report to Mrs. Ward by January 10th. From the Finance committee came

reminders of year-end balances. regional treasurers must not keep over \$25 and the locals may keep only enough for expenses for January and February. Some years there is enough money kept in the bank that would have put us over the top in our objective.

The office of second vice-president was re-established and this officer will also assume responsibility for Leadership & Development. The portfolio, Christian Education & Missionary Education; Stewardship & Vocations will be made into two departments. Delegates for the proposed Stewardship Seminar to be held in February, 1973 are: the president, the

chairman of the new portfolio, Stewardship & Vocation, with Leadership & Development Secretary as alternate.

Plans for the U.C.W. Conference Annual at Oshawa will include a presentation by Belleville Presbyterian on "The Needs of the Mentally Retarded", by the A.R.C. Industries, Nanapan.

A delicious lunch was served by Trinity U.C.W. and the afternoon was spent in making plans for the Annual. A very busy day was brought to a close with prayer by Miss Sexsmith.

(Contributed by Mrs. Ellen Kerr, Picton, R.R. 4, Press & Publicity Secretary for Belleville Presbyterian U.C.W.)

QUEENSBORO

The General Meeting of St. Andrew's United Church Women was held on Tuesday evening. Unit I U.C.W. was held on Friday afternoon. Both meetings were held at the Church.

Mrs. Josephine Feeney, Peterborough, spent the weekend at the home of her mother, Mrs. Frances Barry.

The Holmes hunting gang held their annual meeting in the Queensboro W.I. Hall. This get together started with a pot-luck supper. Mr. and Mrs. Arthur Holmes were hosts for this occasion.

The W.I. sponsored a card party in the W.I. Hall on Friday evening.

C.H.S.S. REPORT

(By GORD REID)

A new student government was elected last week which will take office in January. Only 627 students turned up to vote during the two lunch periods.

At the beginning of the school year, Joe Lajoie was appointed head boy of the school. With the help from student supporters, Joe is again head boy for the 72-73 season. A strong contest was given by Alex Gordon and Gord Reid who were running for the position too.

Also, at the beginning of the year Rita Spanbauer was appointed as head girl, but be-

cause she won't be returning to C.H.S.S. next year she declined to run.

Running for head girl were Barb Armstrong and Marg Graham, with Barb Armstrong coming out on top. My congratulations go out to Barb Armstrong and Joe Lajoie.

About a month ago, through my stupidity, I left out an important item. C.H.S.S. now has a new name: We are known as the Centurians. With this name we will not be known as just Madoc or Centre Hastings, but we'll have a name with a meaning. Please excuse my omission.

Plaque Recognizes Service

The presentation of a plaque was the highlight of last Thursday's annual meeting of the Moira River Conservation Authority.

Chairman Guy B. Hughes made the presentation to Mr. Gordon R. Fraser in recognition of 25 years voluntary work within the Authority. The inscription on the plaque read, "In appreciation of service to the Hydro Meteorological 1948-1971, Moira Conservation Authority."

Mr. Fraser is presently employed in the communications department of the Ministry of Natural Resources.

Sarnia Man Injured In Crash

A 47-year-old Sarnia man, Edward Harold Wehring was taken to Belleville General Hospital with severe head and chest injuries following a car-truck collision on Highway No. 7 last Wednesday.

The 66 Meteor, driven by Mr. Wehring, came into a head-on collision with a CNR transport truck driven by John Phillips, 37, of Keswick. Mr. Phillips escaped the crash uninjured, although he was quite shaken up.

The accident occurred at approximately 10:00 p.m. four miles west of Kaladar.

Extensive damages to both vehicles were estimated at a total of \$3,500. Constable Ronald Seavor of the Kaladar Detachment, Ontario Provincial Police, investigated.

Turkey Bontspiel Successful

Although our reporter has been inactive this year, our Curling Club has been going very strong. With an increased membership, we have a total of eighteen teams.

We welcome new skips this year: Bob Bonter, Bob Hawley, Ross Clarke, Brian Danford, Gene Morosan and Jack Booth. On Monday, December 11th, the Club held their annual turkey bontspiel with new skips and new curlers showing up well.

In the early draw, winners of turkeys were the rink of Bob Devolin, Jane Stickwood, Gord Lebow and Rosanne Chapman. Runners-up and winners of chickens were the members of Tom Burnside's rink, Donna Derry, Francis Bosley and Sue Young.

In the eight o'clock draw, turkey winners were Ross Clarke, Jane Robinson, Ron Devolin and Betty Danford.

Runners-up were Bob Hawley, Buddy Padden, Glenn Franks and Bernie Derry. These curlers received chickens.

Door prize winner for the evening was Norm Whytock.

Other consolation winners who received either a bottle of wine or a 4 lb. fruit cake, were the following: Ruth Burnside, Paul Downey, Isabella Shaw, Dave McKittick, Jack Booth, Jane Stickwood, Ron Devolin, Elvie Bronson, Audrey Fox and Wynne Rollins.

All members having their membership paid by this evening were eligible for two draws for fourteen silver dollars. Winners of the above were Audrey Fox and Marion Devolin.

This concluded a very successful evening and everyone began looking forward to the next big event, The Men's Bontspiel on January 29th.

Santa Claus was the big attraction at the Royal Canadian Legion Branch 363 annual Christmas Party last Friday evening. Here, Legion President, Tom Sandford assists Santa in handing out the gifts to the dozens of youngsters who attended.

Monday evening Santa arrived at the Kiwanis Centre with a big bundle of gifts for the children during the Christmas party held at the regular weekly meeting there.

The excitement of the season is reflected in the faces of these kiddies as they await their chance to sit on Santa's knee and tell him what they want for Christmas this year. These are just a few of the many children who were at the Kiwanis Centre for Monday night's party.

County Council Submits Private Bill For Approval

The 13 additional deputy reeves who will come to Hastings county for the January session may have their county council membership cut short.

This was indicated in council Tuesday as members voted to have a private bill placed before the Ontario Legislature, which, if approved, would cut county council membership almost in half.

Because of recent changes in the Ontario Election Act, the number of electors in 13 county municipalities was boosted above 1,000 which means they are entitled to a deputy reeve.

These council members were defeated at the December 4 vote of the 13 additional mem-

bers will take their seats on the county body.

This will boost council membership to 47 but if the private bill is approved, council members would be reduced to 26, and only two deputy reeves — those from Sidney and Thurlow townships would remain.

The Hastings county petition will be based on petitions from Victoria and Simcoe counties already approved by the legislature.

Under these bills, municipalities with less than 2,500 municipal electors are entitled to only one member and one vote on county council.

When there are between 2,500 and 5,000 electors, municipalities

are entitled to a reeve on county council, both with one vote each. Where the municipality has more than 5,000 but less than 7,500 electors, the reeve would have two votes in county council and where there are more than 7,500 both the reeve and deputy reeve would have two votes on the county body.

Mr. Bateman explained to council that private bill would not cut out the position of deputy reeve, but would serve to reduce the number of council members sitting on county council.

The clerk-administrator said the private bill would become effective immediately it is passed by the legislature.

Coaching Clinic Rescheduled For January 7th

Because of bad weather and treacherous driving conditions, Ron Smith, Technical Director of the O.H.A. was unable to hold the Hockey Coaching Clinic on Sunday, December 17th. Arrangements are being made to hold this clinic on Sunday, January 7th at the same hours 1:00 p.m. - 4:00 p.m. and the same place - Madoc Public

School and the Madoc arena. Yours truly apologizes for any inconvenience the cancellation may have caused. If you are planning to attend the January 7th clinic will you let Bev Browning at 473-2440 know as soon as possible as arrangements can be finalized. (I expect to be away between December 22nd and December 27th).

HASTINGS CABLE TV IS NAPANEE MODEL

Madoc's community television broadcasting Hastings Cable Vision has become a model for its neighbours to copy.

The new Napanee-Deseronto Cablevision company will follow Madoc's example in providing local television programs for its subscribers.

It was the Madoc operation that first prompted Reg Dawson of Napanee to apply for a cable television licence. He joined it while visiting his sister in Madoc five years ago and soon took as partners in

the venture businessman George Grant and weekly newspaper publisher Earl Morrison.

The antenna is now under construction south of Napanee and part of the town will be hooked in by cable by mid-February.

The local broadcasting studio will be located at the head-end antenna tower.

Parents Night At Centre Hastings Secondary School

Parents Night at Centre Hastings Secondary School will be held on two separate evenings. The first night will be for parents of students whose surnames begin with the letters "A" to "K" and will be held on Monday evening, January 22nd, 1973 from 7:00 to 9:00 p.m.

The second night will be for parents of students whose surnames begin with the letters "L" to "Z" and will be held on Monday evening, January 29th, 1973 from 7:00 to 9:00 p.m.

Letters are being sent home with the students and it is hoped that parents will fill out these forms with the names of any teachers they wish to see. These forms are to be returned to the school not later than January 4th, 1973.

The report cards will be sent home with the students on December 22nd.

Mr. James Staveley, President of the Quinte-Hastings Recreation Trail Association, yesterday announced that an application has been submitted for a substantial grant under the Federal Local Initiatives Program (LIP) which would see the completion of the trail, as well as a sixty-mile extension.

The request is for \$73,000 to provide six months work for at least 24 men. Plans for the project not only include erecting signs on the trail as it is presently, but also to extend the trail to the eastern part of Hastings County. This new section would run from Tyendinaga Township, up to Tweed and then on to Downey's Rapids, where it will run into the present trail. Mr. Staveley reports that 100 per cent of the men who had worked on the trail last year through the program have indicated their willingness to again spend the winter working on the project.

During the past summer the trail has been used extensively — even by an 88-year-old hiker. The Prince Edward Army

Madoc Village Council Minutes

There was much discussion on the problem of sidewalk and street snow removal. Mr. Robt. Kirkwood will contact those private owners of small plows, asking them not to push the snow out on the street or on other persons property.

Kirkwood — Smith — that Murray Smith be paid a salary of \$150.00 per month as an attendant at the pump house.

Kincaid — Smith — that the minutes of this meeting be adopted.

Kincaid — that the meeting adjourn.

Oliver G. Ashe, Clerk - Treasurer.

C.H.S.S. REPORT

(By GORD REID)

On Thursday, December 14th, the Christmas Dance was held at C.H.S.S. The dance was held from 1:45 to 4:45 using up the activity and the period one time-slot. The music was provided by a Toronto band, "Steel River."

This is my last article until the new year, so I'd like to take this opportunity to wish everyone a Merry Christmas and a Happy New Year. I'd also like to say special Merry Christmas to the Decsi family and a speedy recovery to Mr. Decsi who is laid up in the hospital with a leg injury.

Two Appointed To Committee

Two retiring county council members, Reeves Albert Vader of Wollaston and Ray Hannah of Mayo have been appointed to three-year terms on the Hastings County Land Division Committee.

The appointments were made at the conclusion of the two-day December session last Wednesday. The two reeves will replace J. Ralph Martin, R.R. 3, Bancroft, and Bruce Fortt, R.R. 6, Belleville on the committee.

Two other present committee members, Ed Colden, R.R. 1, Stirling and Kenneth Holland, R.R. 5, Madoc have their terms extended for another two years.

TO OUR READERS

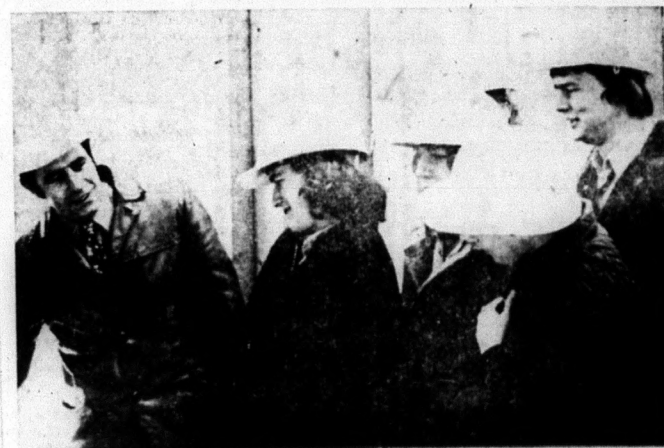

This is our last issue for the year, as there will be no paper next week.

We would like to remind everyone that the draw for the free television will take place this Friday, December 22nd, so there are only two days left to get your name in. If you have been meaning to take out a subscription, pay a renewal or buy a gift subscription for someone drop in before Friday and take advantage of this opportunity. The draw will be televised on Hastings Cable Vision, Channel 4.

At this time we would like to express sincere thanks to all those who have advertised in the paper during the year and to especially recognize our hard-working correspondents who keep us in touch with the someone, drop in before Friday communities we serve.

The office will be closed from Saturday, Dec. 23rd until Monday, Dec. 25th.

A happy holiday season to all.
The Review.

On Monday afternoon a group of senior students from Centre Hastings Secondary School, under the supervision of Technical Director, Mr. D. C. Graham, made a tour of the partially constructed Medical Centre. The students, some studying mechanical drafting and others architectural drafting, are picking up the elementary and intermediate parts of the course all in one year. The trip to the Centre was a valuable help in their study of architectural drafting regarding wall construction. Local contractors, Ken Adams and Ken Gordon, pointed out many features of the structure. Above Mr. Graham directs attention to one phase of the wall construction for some of the students.

One of my wife's students

ers, and I found them fascinat-
ing.**FOR GOD AND HOME
AND NATIVE LAND
VOTE OUT THE
SALOON AND THE
LIQUOR STORE**Thus cried the Globe of Tor-
onto on October 18, 1919. It had
a circulation of \$6,547. It had
24 pages. Count the liquor ad-
vertisements in your today's
big city newspaper.Things were so much differ-
ent sixty-two years ago, aside
from the booze question.The Irish had two front-page
stories. There was "nearly a
settlement on the Irish problem."
"Hands were extended
but they were never gripped"
and the Sinn Féin political pris-
oners were released from
Mountjoy Prison as the outcome
of their hunger strike. Like,
what's new?**START WAR ON DRUG
TRAFFIC** read another head-
line. There was to be a \$1,000
fine for improper use of narcot-
ics. Apparently the opponents
of prohibition were scattering a
leaflet purporting to show that
since Ontario went dry "the use
of drugs has increased to
alarming proportions."But the only drugs they were
concerned with were those old-
ies, opium, cocaine and mor-
phine. Apparently our grand-
dads were not acquainted with
pot, hash, horse and speed. Or
perhaps they didn't use slang
terms. Anyway, what's new?Another headline stated:
**LITTLE FIGHT LEFT IN
REDS.** The whole article re-
vealed that the revolution in
Russia was just as good as over,
and the "reds" had had it. I
wonder if Stalin or Krushchev
read that, and what they
thought.There was an election on The
Globe, as it still does, tried to
tell its readers how to vote.On page 1, there is a box,
with a facsimile of the ballot,
and the paper urges every read-
er to vote No to every question
on the referendum. About booze,
that is.Every story about the elec-
tion is slanted toward the
Tories, against the Liberals,
and against booze. So, what's
new, except the booze adverts?In a desperate four-column
twenty-inch advert, the Liberals
try to separate the political is-
sues and the booze issues. Not
a hope. What's new?The rest of the front page
could have been printed yester-
day. Trouble all over the world.
Gold-dust galore from the Yu-
kon. Lloyd George carried to
his university chair by students,
led by ragtime band (except
that today he'd have been hum-
iliated and led by a rock band).
Somebody's wife with a certain
lack of novelty, had presented
him with his third set of twine.
And similar garbage.**THE WEATHER.** Some old
jazz as we get today. "Probab-ilities: Fair weather; stationary
or higher temperature." In
other words, it's going to stay
miserable or improve. What's
new?But the real fun of an old
newspaper is the advertisements,
as they are today. Even then,
the auto manufacturers took a
lot of space. You had the choice
among a the Gray Dori, the
Franklin, and something called
the Lexington. But the copy
hasn't changed much.Instead of power brakes, you
had the "one-finger emergency
brake." Instead of anti-freeze
you had the Franklin's "Direct
air-cooled. No water to boil or
freeze." Wonder what happened
to that one? And instead of the
120 per cent performance prom-
ised for today's cars, the Gray
Dori ad said it would take care
of 80% of a motor car's work.
Wonder what happened to that
copy writer.But among the names are
many old, familiar ones. Mason
& Risch. Phonographs? Kel-
logg's Corn Flakes. Sherriff's
Marmalade. Horlick's Malted
Milk. Red Rose Tea.And the all-too-familiar ads
in tiny type for aids with dan-
druff, piles, underarm hair re-
moval for ladies, kidney pills,
liver pills, rheumatic remedies.
What's new?There isn't exactly an enter-
tainment section, as such, but
the King Edward Hotel offered
a dinner deluxe for \$1.50, with
music by Romanelli's orchestra.
The Alexandria was presenting
ROADS OF DESTINY with
Florence Reed. And the Prin-
cess suggested La La Lucille,
with music by George Gerwin.
Evenings, \$2.00. Matinees, from
50c. This was live theatre. At
Shea's there was a nine-act
vaudeville show. Prices? 25c to
50c. What's new? I should tell
you?And in a coloured supplement
of the time, there are full-page
ads for such things as chewing
gum, Bon Ami for whitening
your shoes, Borden's Milk, and
Pebeco tooth-paste. Can you be-
lieve? In a recent Maclean's,
Canada's "national magazine",
there were 126 pages of writing
and just over 20 pages of liquor
advertisements. So what's new?**KEN SINE

MINOR SPORTS REPORT

(By Bev Browning)

After four games in the Madoc Pee-Wee - Novice League there is no room at the top. As the standings show, the teams so far, appear to be evenly matched. When teams are tied for a position the team with the most wins is awarded that position. If still tied the team with the greatest plus (by taking the goals against away from the goals for) or the least minus whichever the case may be is awarded that position.

Standings as of Saturday, December 16th —

	P	W	L	T	F	A	Pts.
Leafs	4	2	2	0	14	10	4
Bruins	4	2	2	0	10	11	4
Canucks	4	1	1	2	12	9	4
Canadiens	4	1	1	2	11	16	4

Madoc Novice played one game last week. They shut-out Tweed in Tweed last Saturday afternoon, 2-0. Scoring for Madoc was Randy Love and Dougie Wood. Cameron Clark recorded his first shut-out of the season.

The Madoc Legionaire Pee-Wees dropped a pair of games last weekend. In Wellington the local squad skated as if they had snowshoes on and returned with a 7-2 defeat. Danny Adams from Ian Dowe, and Sammy Bossio from Stewart McEwen supplied the scoring for Madoc.

On Thursday night the league leading Marmora Pee-Wees downed the local Legionaires 6-4. Scoring for Madoc - Stewart McEwen (Sammy Bossio); Glenn Brown (Donnie Moore); Sammy Bossio (unassisted); Sammy Bossio (Stewart McEwen and Glenn Brown).

Mark Hanley fired in three goals while Kelley Welch scored a pair and Justin Hanley added a single for Marmora.

The Marmora Coach claimed he used his third line most of the night (haw-haw). I didn't have the heart to tell him I was using a Novice goalie for half of the game. The local Pee-Wees skated and checked well in the Marmora game and are slowly picking up the confidence they need. (Now if I can just get a skate-sharpener to follow us around.) In Wellington half the guys couldn't stand up let alone play hockey.

Both Madoc Bantam games were cancelled because of bad weather.

The Madoc Juveniles are slowly going downhill. In their last six games they managed only one win and one tie. On Monday night they tied Marmora 2-2 and on Thursday night they dropped a 7-1 decision to Frankford.

On Thursday night the local squad were holding their own until the eight minute mark of the third period when a fight broke out and three Madoc players as well as three Frankford players were given game misconducts. Frankford was leading 3-1 at the time and as you can see they went on to win 7-1.

Fighting during a Juvenile game is common but when the fans start to get into the act it accomplishes nothing but to give our team and town a bad name. If it gets to the point where we need police protection at our rink for Juvenile games then what we are witnessing is not hockey.

WELL-LOVED CAROLS RING OUT EVERYWHERE

"Joy to the world! The Lord is come!"

"It came upon the midnight clear, that glorious song of old."

"Silent night, holy night, All is calm, all is bright."

"Oh come, all ye faithful, joyful and triumphant."

Throughout Christendom, the words of these well-loved carols are familiar even to little children, and they'll be heard this Christmas wherever carolers get together.

"Joy to the World" was written by Isaac Watts (1674-1748), English hymnist.

Watts, who is known as the creator of the modern hymn, wrote nearly 600 hymns. Many of these still appear in Protestant hymnals says the Encyclopedia Americana.

"It Came Upon the Midnight Clear" is the work of Edmund

H. Sears, a Unitarian minister in Massachusetts, more than a century ago.

Perhaps the most famous of Christmas carols, "Silent Night" was first sung on Christmas Eve, 1818, to guitar music.

Mice in the bellows had silenced the organ of a tiny Austrian church. Father Joseph Mohr met the challenge by writing "Silent Night." His organist composed a melody for guitar.

Father Mohr's inspiration — aside from the mice — was the vast, still beauty of the snowy mountains around the village.

"Oh come, all ye faithful" is translated from the Latin "Ades-te Fidelis," and its exact beginnings are shrouded in the mists of time.

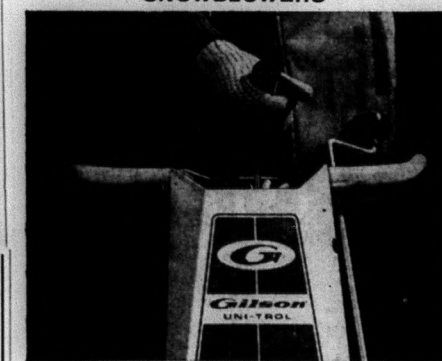

Historians say it may have been written by Saint Bonaventure, in the 13th century.

CHRISTMAS CONCERT

In spite of the snow and freezing rain a large crowd attended a pot luck supper and Christmas Concert held at Cooper & Remington Community Centre on December 12th.

A delicious supper was enjoyed by everyone.

Three door prizes were won by Mrs. Lynn McCoy, Lynda McCoy and Sandra Stein. These were donated by Wonder Baker-

ies and Pro Hardware.

About 60 children and several adults took part in a two-hour Christmas Concert. Tickets were drawn on two baskets of groceries. The winners of these were Randy Rose and Earl McCoy.

The evening was brought to a close with Santa Claus giving candy to all the children.

IN MEMORIAM

MORRISON - In loving memory of our dear Mother and Grandma Carrie Morrison who passed away December 20th, 1963. Time may heal the broken-hearted, Years may make the wound less sore, But it cannot fill the longing For the loved ones gone before. Who shall say the grief is lessened, Though our smiles may hide the tears, Memories keep our loved ones near. Despite the passing of the years, Remembered by Bruce, Doug, Myrtle and families. 51-1p

McCANN - In loving memory of a dear mother, grandmother and great grandmother, Mrs. Carrie McCann, who passed away December 24th, 1963. So many things have happened, Since you were called away, So many things to share with you, Had you been left to stay, Every day in some small way, Memories of you come our way, Though absent you are ever near, Still missed, loved, always dear. Always remembered by sons, daughters and their families. 51-1

the party following the bowling and the ladies possibly all tucked out from Xmas shopping etc. All games finished in 5-2 splits with Twisters, Volunteers and Lucky Sevens coming out on top in their games with the Misfits, Kingpins and Happy Gang. Gord Holmes 652 (262) was top man for the night, followed by Leo Coveney 632 (250), Leon Bernier 620 (235), Leland Richardson 610 (288), and Bill Bird 601 (222). For the ladies it was Pearl Foley 612 (230), Betty Woodcock 600 (250), Barb Thoms 577 (227), and Jean Assagline 584 (221). In the average races, Leo Coveney is leading the men with 218 followed by Jack Booth 213, Joe Bossio 207, Joe Mallia 201, Leon Bernier 197, and Bob Hiltz 188. Ruth Holmes is continuing her steady bowling to lead the ladies with 190, followed by Betty Woodcock 184, Carol Parankuk 181, Hilda McGowan 180, Betty Stevens 179 and Pearl Foley at 177. Lucky Turkey winners in the draw held after the bowling were Barb Thoms, Bob Watson, Bill Rogers, Jay Caverly, Clarence Farrow and Bob Hiltz.

IN MEMORIAM

MORRISON - In loving memory of our dear Mother and Grandma Carrie Morrison who passed away December 20th, 1963. Time may heal the broken-hearted, Years may make the wound less sore, But it cannot fill the longing For the loved ones gone before. Who shall say the grief is lessened, Though our smiles may hide the tears, Memories keep our loved ones near. Despite the passing of the years, Remembered by Bruce, Doug, Myrtle and families. 51-1p

McCANN - In loving memory of a dear mother, grandmother and great grandmother, Mrs. Carrie McCann, who passed away December 24th, 1963. So many things have happened, Since you were called away, So many things to share with you, Had you been left to stay, Every day in some small way, Memories of you come our way, Though absent you are ever near, Still missed, loved, always dear. Always remembered by sons, daughters and their families. 51-1

ROSS - In memory of Colin I. Ross, who passed away one year ago, December 19, 1971. There is a link death cannot sever. Love and remembrance last forever. Always remembered by the family. 51-1p

PEACE ANTHOLOGY TO BE PUBLISHED

"Arrangements are being made with Longman Canada Limited to publish the Anthology of Peace, sponsored by the Lester B. Pearson Peace Park, Tweed," said Roy Cadwell, Chairman of the Park and editor of the anthology.

The forty thousand word book is a collection of articles by world leaders and lay persons in Canada on "how peace may be obtained and preserved."

Two Nobel Peace-Prize winners have made contributions. One is the Rt. Hon. Lester B. Pearson, former Prime Minister, who is also writing the introduction. The other is Chancellor Willy Brandt. Her Majesty, Queen Elizabeth has permitted the use of her annual New Year's message. President Nixon has given consent to the use of the material of his interview on peace with Mr. Sultzberger of the New York Times. Pope Paul VI, through the Secretary of the Vatican, sent his address

on peace to the United Nations for the anthology. Billy Graham gave permission to use excerpts from his book on peace and the well-known columnist, Ann Landers, has also made a contribution.

Among the Canadian contributors were the Hon. Robert Stanfield, Peter Newman, Editor of McLean's, C. E. Kulevar of the World Federalists, Ottawa and Dr. Alcock of the Canadian Peace Institute, as well as other leaders and heads of churches.

It is expected that the book will be published and ready for distribution in time for the 7th Annual Memorial Service at the Park in July. The Peace

Park was established on July 1, 1967, as part of Canada's Centennial. It is the only peace park of its kind in Canada. All royalties from the sale of the book will be used to maintain and develop the park.

MOSTLY ABOUT SOMETHING

(but not necessarily)

(By BEV. BROWNING)

Well as this is the final column for 1972 I thought I'd recap the years big events that made my columns but not the headlines.

During January, February and March my column was called Sports-Roundup so the biggies from those months were mainly sports happenings. So let's begin to refresh your memories if you read my column regularly or let new readers in on the "big" stories that missed the front pages locally and nationally.

"January" — This was a fairly quiet month. The only excitement I got was arguing with Tor's Ten on Channel 6 (now 4) about how coaches should coach their teams. Since I won the argument, let's move on to February.

"February" — This month was also fairly quiet. The Madoc Tykes hosted the East York Tykes and came out on top in victories and made a great impression on their guests with their excellent hospitality.

The Winter Carnival was enjoyed by all. I enjoyed the "Carna Capers 72", especially the "Teddy Bears".

"March" — The Madoc Bantams eliminated Bobcaygeon after a very close series and went on to meet Belmont in the O.M.H.A. Bantam D finals.

"April" — April was quite a busy month. On returning from London I met a car that was being driven on the 401 north of Toronto. This was unusual because the car was going the wrong way and was driven by a female driver. (Still can't figure out how she got in and out of that situation). The Madoc Bantams lost to Belmont in the finals during the earlier part of April.

In Czechoslovakia a husband left his wife. The odd thing in this story was that the wife decided to end it all and jumped out of a three storey window only to land on her husband walking below. She lived and he was killed. (One way to solve your marital differences).

Mark Szumigaj and Eddie Mah won third prize in their division at the Belleville Rotary Science Fair during this month.

Finally a local hockey buff missed the arena so much he went down to the rink just to see the ice melt.

"May" — May was a funnier month. My mother-in-law claimed I marked the sky so I could find television programmes with my aerial.

It was also during this month that David Nickle wanted to know where my mother was (he meant my wife) and Timmy Willemien returned my sunglasses to my wife and said "these are your father's". (We both aged alot during this month).

The guy who watched the ice melt out of the arena couldn't find a softball meeting during May. I think he found out where it was held during the month of June.

"June" — During June I decided to buy Sherri-Ann a budgerigar. The first one died, but the second one I bought is still alive and kicking, even after treading water three times in the aquarium.

I gave the local milkman some advice after his truck kept breaking down. Advice — like "get a horse".

Terry Pigden refused to title a picture of Evelyn and Sherri-Ann, "Beauty and the Beast". It was entered in the Art Exhibit untitled.

It was during the latter part of June my place went to the dogs. First the dog-dish napper struck (still does) and secondly my female dog was attracting male dogs by the hundreds.

Finally I wrote about "How Canada celebrated its 100th Birthday in 1967". The hero, Mel Schultz and I are still friends for some strange reason.

"July" — This was watermelon month. A fifteen year old boy won the Watermelon Seed Spitting Contest by spitting a seed 45 feet (the record I believe is 57 feet). In California a jilted girlfriend threw a fifty pound watermelon out her third storey window. It hit her boyfriend and he suffered a fractured collar bone and several broken ribs.

"August" — Buffy had three pups (see June).

"September" — O.P.P. officer's car battery goes dead during radar duty. Young T.V. Technologist becomes engaged and Madoc Fair holds its Fair on Sunday afternoon for the first time.

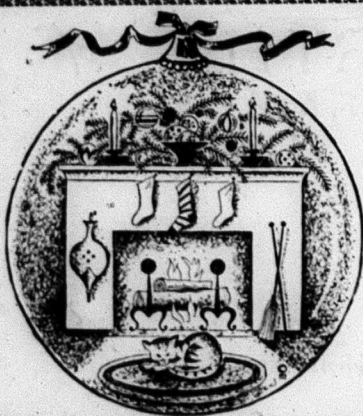

"October" — Local publisher won 14c at a surprise birthday party thrown for me two weeks after my birthday. Probably still has thirteen cents of it.

"November" — My column was banned in Huntingdon Township. My mother-in-law is offered a winter job but she refuses.

"December" — Discover it has been a busy year. Christmas shopping waiting to be done at the last minute. Decided to buy the wife a mink coat but can't find a mink tall enough. (Well, they don't grow minks 5' 2").

May I finish by wishing everyone a very Merry Christmas and a Happy New Year from my wife Evelyn, my daughter Sherri-Ann and yours truly.

As it says — "Mostly About Something, But Not Necessarily."

MERRY CHRISTMAS... MERRY CHRISTMAS... TO YOU... and keep this Christmas safe from fire. Take special care with the tree... Stand it in water... Clear discarded wrappings away from tree... Keep cigarettes and matches at a safe distance... AND NEVER LEAVE SMALL CHILDREN UNATTENDED... EVEN FOR A MINUTE.

Christmas Rush Of Calls Expected

Bell Canada telephone operators in Belleville are ready for the annual Christmas Day rush of calls to family and friends throughout Canada, United States and overseas. George Thompson, Bell manager here, reports that almost 30 operators will be on duty for some period during the day to help speed holiday greetings on their way. It is expected that nearly 3300 operator-handled long distance calls will be made by Belleville and area residents on Christmas Day, as well as numerous long distance calls dialed directly and local calls.

The telephone company is preparing to handle about 800,000 long distance calls — each lasting an average of 11 minutes — on Christmas Day alone. However, the surge of calls is expected to begin early Christmas Eve and continue through until Christmas night.

In addition, it is expected that 18,000 calls to countries overseas will originate in communities across Canada served by the various telephone companies. These calls average 9.2 minutes and by far the largest percentage are placed to the United Kingdom through Bell Canada's "gateway" office in Montreal. Overseas calls to the Pacific and Far Eastern countries go through the British Columbia Telephone "gateway" office in Vancouver. In the Montreal office all 285 overseas operators will be on duty during some part of Christmas Day to help send greetings on their way.

Providing the overseas operator with the foreign number helps speed calls to many countries where the overseas operator is able to dial direct. It allows her to bypass the busy distant Directory Assistance switchboard, therefore permitting many more calls to be completed over a circuit in a given time. Spreading calls over the holiday season, thereby avoiding "traffic jams", also helps to speed calls.

Heavy calling loads, unusual calling patterns and long conversations often cause delays on some domestic long distance circuits on Christmas Day. Bell Canada suggests that callers dial their own long distance

calls to take advantage of dial-direct savings and help avoid delays. If a call does not go through on the first attempt, it is better to wait a short time, instead of trying again immediately. Getting distant numbers several days before you plan to call also will eliminate extra calls on the busy holiday weekend.

With Christmas falling on a Monday this year, spreading long distance calls over the holiday weekend will help keep telephone lines humming with greetings and lessen "rush-hour" busy signals.

Boxing Day

Tuesday, December 26th, Boxing Day, will be observed as a Public Holiday in Madoc Village and all citizens and places of business are requested to observe it as such.

OBITUARIES

CHARLES H. CONLEY
Charles Henry Conley, of 48 Old Marmora Road, Stirling, died in Towers Nursing Home, Stirling, Sunday, December 10th.

In his 84th year, he was born in Madoc Township and was the son of Mr. and Mrs. William Conley.

He is survived by his wife, the former Mabel Rosebush Hulin and his stepchildren, Miss Mary Hulin of Stirling, James Hulin of Brighton and Robert Hulin of Stirling.

He is also survived by his brothers Elmer Conley of Belleville and William Conley of Shannonville.

He was predeceased by his first wife, the former Mabel Howard in 1947 and an infant daughter.

A retired miner, he was educated in Madoc Public School and was a retired elder of Madoc's Trinity United Church and lately a member of St. Paul's United Church, Stirling.

He was a veteran member of IOOF, Madoc Lodge and LOL No. 160, Madoc.

The funeral service was held in the chapel of the Hogle Funeral Home, Stirling, Tuesday, Dec. 12th at 1:30 p.m. with interment in Lakeview Cemetery.

Rev. John A. May, of St. Paul's United Church, Stirling, officiated.

An Oddfellow's service was held in the funeral home Monday evening.

MR. GELEAN CAMPBELL MacLEAN
Tweed, Ontario

A veteran of both World Wars, and a resident of the Hastings Manor in Belleville, for a number of months, Gelean Campbell MacLean, formerly a resident of Tweed, entered into rest at the Belleville General Hospital, after a brief illness, on December 10th, 1972, at the age of 72 years.

Mr. MacLean, who was born in Prince Edward Island, married the former Madeline Tufts in Toronto. His wife predeceased him on March 18th, 1971. There were no children born to this union.

His parents are both deceased, and he had no brothers or sisters. He is, however, survived by his family-in-laws, namely

brothers-in-law, Wilfred Tufts of California; Stanley Tufts of Perth, Ontario. Also a sister-in-law, Mrs. Arnold (Ruby) Montgomery, of Katherine Street, Tweed. Another brother-in-law, the late Mr. Harry Tufts, of Madoc, also survived, but passed away suddenly on December 13th.

The deceased worked as an orderly at the D. W. A. Sunnybrook Hospital in Toronto, until his retirement in 1968.

Mr. MacLean was a member of St. James Anglican Church, Tweed. The body rested at the Bush Funeral Home, Tweed, until Tuesday, December 12th, when the funeral service was held in the Chapel at 2:00 p.m. with Reverend V. F. Earle, as the officiating clergyman.

Cremation followed and the remains were subsequently interred in the Tufts Plot in St. James' Cemetery, Tweed. All arrangements were under the direction of the Bush Funeral Home, Tweed.

MR. ANDREW G. TOON FONG

A native of China and residing in Madoc for the past several years, Andrew G. Toon Fong, passed away at the Belleville General Hospital on Thursday, December 14th, 1972. He was in his 83rd year.

A retired tailor, Mr. Fong was married and all of his known relatives live in China.

The funeral was held on Friday, December 15th with service conducted in the MacKenzie Funeral Home, Madoc, by Rev. J. H. Thompson.

Interment in Lakeview Cemetery at a later date.

ALICE MAY HANSEN

At Sunnybrook Hospital, Toronto, on Saturday, December 16th, 1972, Alice May Hansen in her 65th year. Beloved wife of Jack Hansen, Dear Mother of Keith of Oshawa and Caroline of Lindsay. Also survived by two grandchildren, Karen and Steven. The funeral service was held from the Mackey Funeral Home, Lindsay, on Tuesday, December 19th, at 2:00 p.m. Interment, Rosemount Memorial Gardens, Peterborough. Donations to the Ontario Heart Foundation would be appreciated.

HAROLD "HARRY" TUFTS
Madoc

Well known in the Madoc area, Harold W. "Harry" Tufts of Madoc died suddenly Wednesday, December 13, 1972 of a heart attack at his farm at R.R. 4, Madoc. He was in his 68th year.

Mr. Tufts took an active interest in community sports, having coached and managed the senior hockey team for many years.

He was area softball convener and as coach and manager of the minor league baseball team brought the first Ontario championship to the village.

He was also an active worker at St. John the Baptist Church in Madoc.

Born at Tweed, he was the son of the late Mr. and Mrs. Arthur Tufts and moved to the Madoc area 45 years ago. In addition to his farm activities he operated a rural mail route.

He is survived by his wife, the former Elsie L. Price, a daughter Mrs. J. (Shirley

Eleanor) Posnikoff of Santa Anna, Calif.; and two sons Major Douglas W. Tufts of Trenton and Bevis H. Tufts of Perth.

There are two brothers, Robert Wilfred Tufts of Alviso, Calif.; and Stanley of Perth and one sister, Mrs. A. (Ruby) Montgomery of Tweed. There are eight grandchildren.

The funeral was held on Saturday afternoon, December 16th from the MacKenzie Funeral Home, Madoc to St. John the Baptist Anglican Church where service was conducted by Rev. J. H. Thompson.

Bearers were: Philip Rivers, Lindsay; Empey, Perc. Holland, Howard; Stickwood, Harry; Thompson and Glen Nickle.

Interment took place in White Lake Cemetery.

MR. CHARLES G. SPENCER
Madoc, Ontario

Retired Madoc businessman, Charles G. Spencer, passed away at his residence in Madoc, on Sunday, December 17th, 1972 following a brief illness. He was in his 82nd year.

Mr. Spencer had been the proprietor of the Madoc Creamery for 16 years, retiring in 1951. He previously had been a cheese and butter maker in the Madoc area for many years.

He had served as councillor on Madoc Village Council for a number of years and fraternally was a life member of Madoc Lodge, A.F. & A.M. No. 48. He was an adherent of St. Peter's Presbyterian Church, Madoc.

Born in Sidney Township, he was the son of the Late Mr.

and Mrs. Edmund R. Spencer and moved to the Madoc area 60 years ago.

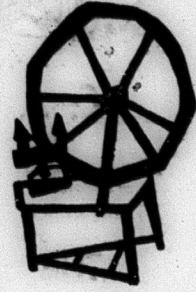

He is survived by his wife, the former Cecil M. Hubble, three daughters, Mrs. J. Graham (Ruby) Campbell, Montreal, P.Q.; Mrs. Cecil (Ivah) Woods, R.R. 2, Madoc and Mrs. William E. (Miriam) Gordon of Madoc. Eight grandchildren and one great granddaughter survive. He was predeceased by one brother, George Spencer.

The funeral was held on Tuesday afternoon, December 19th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. E. R. Hawkes.

Entombment took place in Madoc Township Vault.

Interment will take place in Foxboro Cemetery at a later date.

 Extent of the local programming will depend on the amount of interest shown by Napanee people and their willingness to work with the company to prepare programs.

Madoc, although a much smaller community than Napanee, has many people involved in local programming.

The cable will be extended to serve Deseronto in about two years.

As well as the open channel for local telecasting, the Napanee company will provide five United States channels and three Canadian, including the ultra-high frequency educational station received from Watertown.

HOLMES HUNT CLUB HOLDS CHRISTMAS PARTY

On Saturday evening, December 9th, the Holmes' Hunt Club, (affiliated with the Weasel Watchers of America) and their wives, held their annual Christmas Party in the Queensboro Institute Hall with about twenty in attendance. A bounteous pot-luck supper was enjoyed by all, with some hilarious conversation and stories to keep things interesting.

The highlight of the evening came when Colonel Sanders appeared with his famous chicken barrel, but instead of Kentucky Fried Chicken, he carried gifts for each one. The ladies received a variation of small trinkets very useful in their homes, and the men received gifts not quite so useful, but

something to keep their little hearts happy and amused during the long, cold winter evenings ahead.

The door prize was donated by Stickwood's Dry Goods of Madoc and was won by Mr. and Mrs. Gordon Holmes. The prize was a beautiful statue that will adorn their living room mantle for a long time and Ruth and Gordon can show it off with pride to visitors to their home in the future.

On a display table was a replica of the camp and surrounding area made from pastry, sugar and etc., constructed so beautifully by Mrs. Bob Turner. It was admired by everyone present.

A social hour followed the distribution of the gifts and a hearty vote of thanks was extended to Art and Goldie Holmes, the hosts of the event.

Those present were: Mr. and Mrs. Arthur Holmes, Mr. and Mrs. Dalton Holmes, Mr. and Mrs. Bob Turner, Mr. and Mrs. Gordon Holmes, Mr. and Mrs. Billy Holmes, Mr. and Mrs. Bill Matthews and baby, Mr. and Mrs. Leonard Holmes, Mr. and Mrs. Grant Ketcheson, Mr. and Mrs. Jos. Ash and Mr. and Mrs. Larry Stickwood.

SNOWMOBILE SENSE

In snowmobiling, as in all recreational activities, the visitor to an area should accept the responsibility of seeing, enjoying — but not destroying the area he is using. Don't trespass on private land that is posted. Respect other people's privacy and drive slowly in built-up areas. Be careful not to drive over and mutilate forest plantations. They are extremely valuable and costly to replace. In encounters with animals, stop and allow them to move off the

trail. Do not chase or molest them as such an act is not only inhumane but also against the law. In general, when out snowmobiling, please protect the environment which is what you are mainly enjoying.

Snowmobilers are warned that although some of the lakes and rivers in the area are covered with a layer of ice, they are extremely hazardous and should not be travelled upon.

TWEED MIXED BOWLING

The results of the Monday night mixed league held on December 11th, 1972 at Tweed Bol-O-Way were as follows:

Team Standings — King Pins, 65 pts.; Double-O-Nothings, 56 Pts.; Rolling Pins, 45 Pts.; Stoco Marauders, 40 Pts.; Hells Belles, 40 Pts.; and Clare River Ramblers, 27 Pts.

Ladies Higns — Elaine Coulson, 253 (612); Liz Falladown, 242 (627); Clarice Treacy, 211. Mens Higns — Oscar Rogers, 267, 235 (692); Joe Bossio, 227, 221, 208 (656); Art Smith, 232, 229 (622); Bill Elson, 228; Roy Hollister, 219; Walt Hollister, 217; Frank Bossio, 206.

CHRISTMAS AND TREES THE SAFE WAY

Think Safe-Tree first at Christmas. Choose a 'fresh cut tree' with a high moisture content says the Ontario Safety League. Bend one of the needles gently. If it breaks, the tree is too dry. Try another.

When you are ready to put up your tree, bring it in from its cool storage place out of doors and cut 2 inches diagonally from the tree's base. Stand the tree in a container of water and refill it daily to a level above the cut line. Keep away from fireplaces, radiators, televisions and other sources of heat.

Use only CSA approved lighting sets and inspect yearly for frayed, cords and damaged sockets. If an extension cord is required, never run it under a rug, where heavy traffic could damage the cord's protective covering. Lights are best left on for short periods of time only. Remember to turn tree lights off when you go to bed or leave the room or house. Choose bright, decorative ornaments for your tree, but make sure they are non-flammable. Candles are popular, especially at Christmas, but should be used with extra caution and never on or near the tree.

Beware using string lights for a metallic tree. Because metal is a conductor of electricity, an off-tree spotlight is better.

If a fuse blows, redistribute load to other circuits and never replace a 15 amp fuse with a

larger size.
 On Christmas morning don't let the hustle and bustle of opening gifts get the better of you. Gift wrappings should be disposed of immediately, but never burned in the fireplace.

Even under the best of conditions, a fresh cut tree will last little more than a week without dropping needles and drying out. Dispose of it before it becomes a danger.

To owe is human, to pay up divine. Subscribers in arrears are earnestly requested to become divine as soon as possible.

CHRISTMAS CANTATA AT BETHESDA

An evening of interest to people of White Lake, Madoc and vicinity was held on Sunday evening at Bethesda United Church, when the Young Peoples' Choir rendered their cantata "Thanks Be To God". A large crowd was in attendance and the Church was beautifully decorated with evergreen boughs, poinsettias, gold wreaths, and a lighted tree. The Nativity scene was effective

with Mary and Joseph portrayed by Kathleen Ash and her brother Charles, who were seated beside the Babe and cradle complete with lighted star.

The Choir in white gowns, seventeen in number, did justice to the cantata and duet parts were taken by Darlene Francis and Christine Stevens and Rev. Heard was narrator. Carols and scriptures were enjoyed during

the service and a solo, "Let's Follow The Star To Bethlehem", was sung by Mrs. Goldie McInroy. This number was composed by Mrs. Kenneth Broadworth of R.R. 1, Stirling. Mrs. Reginald Haggerty was pianist and Mrs. Goldie McInroy directed the cantata. At the conclusion, Rev. Heard invited everyone to enjoy a social time in the church basement with Rev. and Mrs. Heard as hosts.

A MESSAGE FROM THE CHURCH

One of the scourges of the Christian religion is that it is always being sentimentalized in one way or another. I can recall attending soccer matches in England where thousands of people sang "Abide with me." Another is the religious emotion often given expression at the death of one close to us; it becomes an occasion for religious observance and emotion almost totally absent apart from such times. Or, again, you only have to mention the subject of prayer and you can be pretty sure that your hearers will think you are becoming sentimental! Now, one of the Christian institutions that has become sentimentalized is Christmas. There's a lot of talk about its being the "season of good will", but little acceptance of the disciplines which make the will good! We love the outward trappings of Christmas — the feasting, the parties, the bunting and what-have-you — but have little wish to respond to its inner message even though we may pay lip service to our allegiance by attendance at a service. We sentimentally refer to Christmas as "the kiddies' festival" as if to imply it has little to do with grown-ups. We get all sentimental about the child in the manger and forget it is God!

Christ, of course, didn't come only for the kiddies; he came for your sake and my sake. There is no man whose condition is not such but that he is in desperate need of what the Christ alone can give him. We may deceive others and even ourselves with regard to this need, but there comes a time for every man when deception will no longer work — when a man "is out on his own" as we say and pretence is no longer any use.

That the Church does not wish us to sentimentalize Christmas, but take it seriously; we are reminded by the season appointed as a preparation for Christmas. I speak, of course, of the sombre season of Advent.

There has grown up a silly and dangerous practice of anticipating Christmas long before the day arrives; silly because often the children get thoroughly bored with festivities before the proper season arrives, dangerous because the warning message of Advent goes by unheeded. You really are being sentimental if you keep Christmas without Advent, just as you are being sentimental in keeping Easter without Lent.

The message of Christmas is the good news that God has become a man so that you and I may arise from our fallen state and become like God. God has become man to challenge you and me to accept a calling, the end of which is to give us fellowship with God Himself. Acceptance of that challenge will mean fulfillment beyond our dreams, rejection of it is too awful to contemplate.

That is the message of Christmas, and the Church gives us Advent before it to remind us lest, in our festivities, we forget the solemnity of the Christmas challenge. We know that there is to be another coming — another Advent; that we must all appear before the judgment seat of Christ. There is nothing sentimental about

that. The Second Coming of Christ is not so difficult for us to con-

template as it was a few decades ago. The cosy world (for some) of those days is no longer

er. It is no longer a place where, given time, man might build his utopia. It has become

an uncertain and uncomfortable place where anything might happen. The power to destroy it, always present, is now visible. So the "coming at the end" isn't quite so difficult to think of. But, whether it is near or some distance away, there is always death and so the "coming" as far as each one of us is concerned.

Christmas is reality to those who claim Jesus the Saviour of their lives and daily are preparing for His coming again.

This Christmas may you above all the sentimentality which annually overshadows its true meaning, re-discover the Son of God and rejoice that He is coming again. Yes, Christ was born for us that He might be born in us! A blessed Christmas to you and in your homes and God's blessing upon our community.

MILK QUOTA MAINTENANCE AND FEEDING PROBLEMS
(Douglas Ptolemy, O.M.M.B. Fieldman)

Summer 1972 produced a wide variation in weather conditions. As a result there is a wide variation not only in the amount but the quality of hay and other winter feeds harvested. Milk producers in particular are already finding the variations in terms of milk produced. Milk producers with these problems and concerned about the maintenance of their quota should note the following points and procedures to be followed to overcome the situation.

"Milk producers with production problems due to their feed situation who are or will be experiencing problems with the 90% maintenance clause in Group I Pool or the 75% clause in Market Share Quotas:

are reminded that the Ontario Milk Marketing Board is prepared to assess their situation on an individual basis if their problem stems from inclement weather resulting in poor feed."

This fact was published in September issue of the Ontario Milk Producer. It is found on page 10 and is found in the article "Those raindrops keep falling".

To receive consideration, a producer must:

1. Write to Harry Parker, Secretary, Ontario Milk Marketing Board, P.O. Box 4027, Station A., Toronto, Ontario, immediately.
2. Then Mr. Parker in turn notifies the applicant's County Milk Committee Secretary.
3. The producer will then receive a call from a sub-committee of his County Milk Committee.
4. This sub-committee will assemble the facts and forward

them to the Ontario Milk Marketing Board, Toronto.

5. If the facts verify the applicant's request then the penalty clause will be waived until June 1st, 1973 for Group I and Market Sharing Quotas. Then automatically the Federal Subsidy Quota is waived for the current dairy year, that is to the end of March 1973.

TRANSFERRING A BASIC HERD TO A SON

(C. F. MacGregor, P. Ag.) Many farm families established a Basic Herd sometime before December 31, 1971. Some families are now in a position to transfer ownership of the Basic Herd to another member of the family. In such a transfer there are questions about income tax implications and also about farm management considerations.

Basic Herds do provide a source of non-taxable income. The amount of non-taxable income is based on the value of the Basic Herd as of December 31, 1971. It is necessary to look at the various transfer methods to see which one offers the most advantages in obtaining this non-taxable income.

Sell to the Son for Cash

Only the amount over and above the value of the Basic Herd on December 31, 1971 would have to be included in taxable income. If the value of the livestock has not increased much since December 31, 1971, there would be very little, if any, tax payable. On the other hand, the son could claim the total amount as an expense when filing his income tax.

This method is practical for small herds or when the father needs the income from the herd immediately. Since most sons do not have cash or credit to buy large numbers of livestock, this method is of little use for larger herds.

Sell to Son and take-back a Demand Promissory Note

This method provides a method of transfer when the son does not have much cash. The father keeps a note for security. Any or all of the note is payable on demand.

The usual practice is for the son to pay an amount each year with cash from the farm business. Since the father receives the cash as payment for his Basic Herd, it is not taxable for him. The son can claim the payment as an expense.

It is not necessary to have any interest charged on a demand promissory note.

Transfer by Will

At the start of a family agreement the father may wish to keep ownership of the cattle. At the same time he may feel that the livestock should go to the son immediately if he died. The father could direct that this would happen in his will.

In calculating Succession Duties in Ontario, it would be necessary to include the value of all the livestock in the estate.

An income tax form has to be prepared for the father for the portion of the year in which he was alive. The value of the Basic Herd on December 31, 1971, is deducted from the value of the livestock on hand at time of death in the preparation of this income tax statement.

Combined Basic Herd and Non-Basic Herd

In many cases, the value of the livestock when transferred will be greater than the December 31, 1971 value of the Basic Herd. Often this is due to the fact that only a portion of the livestock is included in the Basic Herd.

For example, think of the situation where there are 60 Mature Animal Equivalents being transferred. For cattle, an animal that is 2 years old or older is considered 1 Mature Animal Equivalent. For cattle less than 2 years old, it takes 2 animals to make 1 Mature Animal Equivalent.

In this example there are 40 Mature Animal Equivalents in the Basic Herd. Their value on December 31, 1971, was \$16,000.

The value of the 60 M.A.E. being transferred is \$27,000. The father was willing to take back a demand promissory note for this amount. No interest was charged on the note.

As payments are made on the note, part of the payment is considered taxable income and part is considered non-taxable. The usual practice is to divide the payment on the basis as the portion of the herd covered by the Basic Herd provision. In this case, it would be a proportion of 16/27 or about 60% that would be considered non-taxable.

There is an added provision that would allow the father to claim up to 10% of the December 31, 1971, value as exempt from income. In this case, this provision would allow up to \$1,600 to be claimed exempt each year provided the son's payment was this amount or more. Naturally the father would have to reduce the remaining amount covered by his Basic Herd by a similar amount each year.

How About Your Case

Every case must be treated individually. There are income tax and farm management considerations. Some thought before the transfer can get the advantages working for you.

On key this season... good tidings for all, and a warm "thanks" to our many patrons.

24 YEARS AGO
December 16, 1948

Arthur Emberton, 37, master mechanic with the Deloro Smelting and Refining Company Limited for the past year, died in Deloro under distressing circumstances on Sunday. A fire had broken out at the home of Albert Laton in the late afternoon, while many of the residents were attending church in Marmora. Mr. Emberton was supervising the fire-fighting and complaining of internal pain. He came out of the threatened residence and started for home when he collapsed crossing the lawn. Resuscitation was employed. Dr. W. J. Donevan was summoned and pronounced him dead.

On Tuesday morning the Fire Brigade were on their toes when the fire alarm was sounded for a chimney fire at the residence of Mr. Stanley Bergeron, near the Fair Grounds. On arrival the firemen soon had the blaze under control with no damage resulting.

Princess Elizabeth's son will be known as Prince Charles of Edinburgh, has been officially announced. The young Prince's full name will be Charles Philip Arthur George.

Bounties amounting to \$2,485 have been paid out thus far in 1948 by Hastings County to hunters and trappers of the mid-northern section of the county on wolf pelts. To date 71 wolves have been trapped or shot by hunters of the district. Heading the list is Albert Sauley, of Turriff, who is by far the most successful trapper in not only Hastings but adjoining counties as well.

With practically a full attendance on hand, Hastings County Council opened its an-

nual four-day December session in Shire Hall, Belleville, on Tuesday afternoon, December 7th. As far as is known the session will be the last for at least eight members, who have retired or been defeated at municipal polls. This number may be increased in January as a number of municipalities do not hold nominations and elections until that month. It was noted that the change in personnel of the council, even this far, is the largest in the history of the body over a lengthy period of years. In his address of welcome to council, Warden George West, retiring Reeve of Madoc Village, said that the county had enjoyed a prosperous year in 1948. Prices had been high he said, and demand for production good. Reviewing council activities during the year, the Warden told council that all committees had been extremely busy. He was pleased to note that all had carried out their duties 100 per cent.

Engagement — Mr. and Mrs. Gerald Johnston, of Napanee, wish to announce the engagement of their eldest daughter, Barbara Jean, to Dr. George Lashley Mullin, of Madoc, son of Rev. and Mrs. R. D. Mullin, of Westport, Ontario. The marriage will take place on Saturday, January 8th, in Grace United Church, Napanee.

Wedding — Christ Church, Belleville, was the scene of a pretty wedding on Saturday, December 11th, at 2:30 p.m., when Irene Goldie, third youngest daughter of Mr. and Mrs. W. West, Madoc, was united in marriage to Albert Moon, Madoc, son of Mr. and Mrs. George Moon, 26 Everett Street, Belleville. Rural Dean, the Rev. J. Grant Sparling, officiated.

Birth — In Madoc Village, on December 6th, 1948, to Mr. and Mrs. Stan Hutchings, a daughter.

15 YEARS AGO
December 23, 1957

Thirty-three sheep owned by Ernest Roth, Cressy farmer, have been killed as a result of being chased by dogs. Seven of them were worried to death. The others were killed when in their flight they went over a steep bluff into Lake Ontario. Most of these were drowned. Mr. Roth had a flock of 77 sheep. He heard dogs barking during the night but did not discover his loss until next day when he found several carcasses. The dogs have not been found. Nine of the sheep were found on the Edward Vaughan farm, four miles distant. Others had fled through the woods and fields in an attempt to escape. Should the owners of the dogs responsible be found they would be liable for the damage; if not discovered, the township council of North Marysburgh would have to pay. Mr. Roth feels that the remainder of his flock is useless for breeding purposes as a result of being chased.

Work started recently erecting the steel water tower at the north hill of the village, and at the same time the large pump has been installed in the pump house at the well in the Park. Therefore the waterworks project is fast advancing its completion - Havelock Standard.

Citizens of Stirling and Hastings County learned with regret recently of the coming departure of A. O. Dalrymple, Agricultural Representative, and Mrs. Dalrymple from the County. Mr. Dalrymple has been chosen as Agricultural Representative for Durham County, with headquarters at Bowmanville, to succeed the late E. A. Summers and will assume his duties January 1st next. During the eleven years he has served as Agricultural Representative, he has given much valuable service to the farmers of the county. In addition he has found time to make a distinct contribution to the community as a good citizen. He has been an active and respected member of Stirling Rotary Club since its formation and served as president 1953-54. Both he and Mrs. Dalrymple have been active members of St. Andrew's Presbyterian Church. He is a member of the choir and the Board of Managers, while Mrs. Dalrymple has given valuable service to the Sunday School. Both have taken an active part in the work of St. Andrew's Club. 'Dal' as he is popularly known, joined the Department of Agriculture as Assistant Agricultural Representative in Grey County in 1944. He later served in El-

gin, Haldimand and York Counties before coming to Hastings County February 1st, 1957. He will be succeeded by Sidney MacDonald who has been serving as Associate Agricultural Representative in Ontario County. Mr. MacDonald, who is single, joined the Ontario Department of Agriculture in 1950 in Lanark County. He has since served in Northumberland and Ontario Counties.

One of the oldest residents of Madoc, in the person of Thomas C. Caverly, died at the Alexander Nursing Home at Queensboro on Wednesday. Mr. Caverly was born in the village 82 years ago, being the son of the late Mr. and Mrs. Joseph Caverly and had resided for his entire life in the community. After an education in the school in his native village he entered the grocery business and for many years conducted this store enjoying a wide clientele throughout the district.

During the week there have been 11 accidents resulting in an estimated \$4,715.00 damages and charges of "Careless Driving", "Over .08 alcohol in Blood", "Impaired Driving", and "Failing to Share One-Half of Roadway to Oncoming Traffic".

On December 11th an outboard motor valued at \$350.00 was recovered. This same motor had been stolen in July of 1971. Charges are pending.

Three male shoplifters were charged with "Theft Under \$200.00" contrary to the Criminal Code of Canada. Two of the subjects were juveniles and they will subsequently be charged under the Juvenile Delinquents Act.

On Tuesday at 8:00 p.m. a juvenile girl was reported as missing from her residence. At 9:00 p.m. this girl was located by the Police and returned to her parents.

One "Having Liquor in a Public Place", one "Minor Con-

suming Liquor" and two "Impaired Driving" charges were registered at this detachment.

Thursday a man from Marmora reported that his car had been stolen from in front of the pool hall, in Marmora. Upon investigation the auto was recovered in Marmora Township in a ditch. There was no damage to the vehicle. One male subject is being charged.

As the result of a complaint of indiscriminate shooting of a firearm in the Township of Marmora a man was charged with "Possession of an Unregistered Restricted Weapon". The weapon in question was a sawed-off .22 calibre rifle.

Other general occurrences are as follows: three family dis-

putes; one traffic control; one house fire; one vandalism complaint; one threatening phone call and a theft of a Christmas tree.

"What am I supposed to do with this?", grumbled the motorist as the police clerk handed him a receipt for his traffic fine.

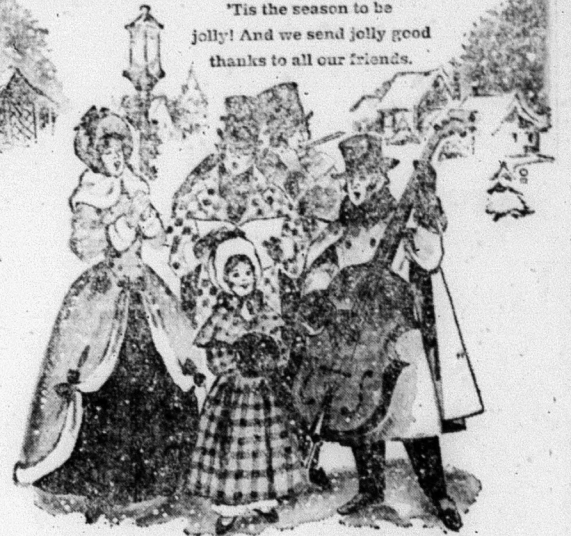

"Keep it," the clerk advised. "When you get four of them, you get a bicycle."

Guests and callers with Mrs. Harris on Saturday were Mrs. Blanche Sandford, Miss Joyce Sandford and Mrs. Chas. Mahoney and Mark of Madoc.

DECORATING FOR CHRISTMAS
Indoors, outdoors, all around the house — Christmas is the season for decorating, and what a wealth of decorations there are!
The tree seems to be just the beginning. Its ornaments and lights become continually more varied and delightful.
Wreaths and greens, plants and bouquets, table centerpieces and window adornments appear in the home.
Outdoors, decorations range from a string of lights and a wreath on the door to manger scenes to such creations as Santa, sleigh and reindeer up on the roof-top.
Scenes of the yard and roof embellishments are real works of art — no wonder communities give prizes for outdoor decorating and lighting.
A diversity of designs for decorating are ready-made, offering welcome help during the bustling holiday season.
Still, it's fun to use personal ingenuity and creativity in making unusual Yule decorations, suggest the editors of the Grolier Universal Encyclopedia.
One thought might appeal to bird-lovers: Place a wreath, ready- or hand-made, outside a window. "Decorate" it with foods tasty to birds, such as peanuts, popcorn, cranberries and bits of suet.
Simple, personal touches make a difference. For instance, greens, ribbons and glittering balls can be attractively arranged on a table or shelf.
Just putting some colorful ornaments and pine cones in a big glass bowl brightens things up.
Set the kids to stringing cranberries and popcorn in the good old-fashioned way. It's surprising how pleasingly they blend with the modern marvels of tree ornaments.
Every area of the home deserves some holiday accents. How about fastening candy canes to a broad, bright ribbon and draping it around the kitchen bulletin board?
For the more ambitious, there's the kissing bunch, an old English tradition.
An easy way to make one is to buy a ball of plastic foam. Greens — red-berried holly for color, mistletoe for kissing — can be inserted in the foam ball. Then a gala red bow and length of ribbon to hang it by are all that's needed.
Too late for this season? Much of the joy of Christmas is planning for the next one.

GREENS HAVE MEANING

Greens that adorn homes, streets and stores at holiday time entered the lore of Christmas from pagan rites of old.
The ancients believed that each green had its own significance, and an ability to do certain good — or evil — things.
Ivy, they thought, was festive. Its convivial nature came from Bacchus.
Yew and cypress had the highest virtues. Theirs was the quality, and the symbol, of eternal life.

TREES FLOURISH IN FESTIVITIES

Of all the customs of the Yuletide, none flourishes more merrily than the Christmas tree. It's a happy holiday tradition to set up a tree, string it with lights, deck it with ornaments and crown it with a star.
Legendary suggestions about the origin of the tree are plentiful. Just about every country has one to offer.
The pine trees of the Roman Saturnalia, the great tree of Yggdrasil in Norse mythology and the evergreens the Egyptians used to adorn their homes at the winter solstice are but a few of the possibilities.
In Scandinavian mythology, the three roots of Yggdrasil bound together the home of the gods, the land of mankind and the netherworld.
Though where the Yule tree began can't be pinpointed, it first showed up as an accomplished fact in the 16th century. Strasbourg manuscripts of that era describe decorated trees as a regular, established part of the Christmas season.
The custom of the tree was probably brought to the New World by Hessian soldiers fighting for the British in the Revolutionary War.
The chronology of the Christmas tree in America reveals these highlights, as compiled by the editors of Encyclopedia International.
1896 — First Christmas tree in the White House introduced by President Franklin Pierce.
1909 — People of Pasadena, Calif. erected a towering tree on Mount Wilson.
1912 — Community trees decorated in Madison Square Park, New York City, and on the Common in Boston.
1913 — "Children's Christmas Tree" placed in Independence Square, Philadelphia.
1920 — Giant cedar cedars create a mile-long panorama of lighted trees, on "Christmas Tree Lane" in Altadena, Calif.
1923 — First National Community Christmas Tree inaugurated by President Calvin Coolidge.

Christians Celebrate Holy Day With Prayer And Thanksgiving

For those who celebrate Christmas as a holy day, the holiday is greeted with rejoicing, with prayer and thanksgiving, in church and private devotions.
The word "greeting" has a special significance here, for herald angels singing to shepherds in the fields and a star shining in the heavens truly brought greetings — according to the Revised Standard Version of the Bible, "good news of great joy which will come to all people."
Long before the December 25 birthdate of Christ was celebrated in devotions, it had marked a season set aside for another kind of greeting. In Northern Europe, Teutonic tribes of pagan times greeted the rebirth of the sun, of the winter solstice.
Earliest celebrations of Christmas combined some of the ancient pagan traditions. By association with Christian beliefs, old customs of greeting the sun became symbolic of a recognition — a greeting of faith, hope and life eternal.

YULE LIVES IN LEGEND AND LORE

Twinkling on trees, glowing from windows, glittering everywhere, Christmas lights reflect, today, the candles of an earlier time.

A candle in the window can light the Christ Child on his way, says Irish legend.

Nativity scenes in homes and churches depict the animals of the Manger — and on Christmas Eve, the cattle, the sheep and all the animals present at the Nativity are given the gift of speech.

So says the lore of Christmas.

Blossoming on the holiday scene, greens and flowers spread their beauty and fragrance, reminding all of the living wonder of Christmas.

In legend, all flowers bloom at midnight on Christmas Eve, just as they did more than 2,000 years ago.

The legend and lore of Christmas expresses the simple faith that lies at the heart of this happy, holy time.

Some of the most delightful of legends are told in carols.

From France comes the "Carol of the Birds." Its words recount how the birds flew to Bethlehem to behold the Christ Child. Each bird, as it flew, sang a special song of praise and rejoicing.

There's a "Carol of the Flowers," too. Summoned to the presence of the newborn King, every flower blossomed, and each blossom was a symbol of the Little One's virtues.

Seafaring peoples, in their own way, related nature's wonders to the miracle of the Nativity, through carols.

"I Saw Three Ships Come Sailing," tells of ships crossing the sea on Christmas morn, bearing Jesus, Mary and Joseph.

TOWN & COUNTRY GREEN HOUSE

MILK — BEFORE YOU GET INTO THE SPIRIT

Ontario Christmas party-goers are being urged to prepare for the season in a different way this year by the Ontario Milk Marketing Board in their billboard campaign "Milk. Before you get into the spirit."

And while the billboard tends to raise a smile, it also underlines a medical fact - that food taken before liquor helps to slow down the absorption of alcohol into the bloodstream.

As a food, milk is ideal for this purpose. It is more convenient to consume than other snacks which would produce the same effect and it doesn't leave you feeling too full to enjoy the party.

Also, an 8 oz. glass of milk takes no preparation and is readily available in most households.

The OMMB billboard reminders will be seen in the five major markets of Toronto, Hamilton, London, St. Thomas, Windsor and Thunder Bay from now until Christmas. In addition, transit ads will be run in the Ottawa area.

Despite the nature of their campaign this year, the OMMB is still asking anyone who is driving over the Christmas season to stick with milk before and during the party.

KEEP CHRISTMAS MERRY CHECK LIGHTING

Ontario Hydro's electrical inspection department issued a warning this week about indoor and outdoor Christmas lighting. According to Hydro, a common danger exists when a light socket has been left empty after the removal of a burned out or broken bulb. The empty socket may invite an inquisitive child to put a finger into the socket and get the inevitable shock.

Another hazard occurs when metallic reflectors become "live" when they contact a bare wire or empty socket. The interchanging of indoor and outdoor lighting sets may lead to further trouble. Indoor lighting sets were meant for use inside the home only. They are not built to stand the severe outdoor winter weather which can rapidly deteriorate insulation with the consequent possibilities of electric shock and fire.

"If you have an old set of lights, indoor or outdoor, check it very carefully before deciding to use it just one more time," says an electrical inspector. "Splicing or taping worn wiring may not always lead to savings."

One thing to look for when buying lighting appliances of all kinds is the CSA label, which indicates the item has been safety tested and approved by the Canadian Standards Association.

And says the electrical inspector, "Turn off Christmas tree lights before going to bed... just in case."

"THE HOLE IN THE WALL"

CONSERVATION

(By W. T. Lawson, Sec.-Treas., Lower Trent Region Conservation Authority)

Earlier releases have centred around Conservation; what it is, and why it was established. Today, we will attempt to explain the make up of the Lower Trent Region Conservation Authority.

This Authority has a total of 21 Directors, representing 17 municipalities. Each municipality selects one elected Councilor or Reeve to serve for a one year term. The town of Trenton having a population of 10,000, plus is entitled to select two to serve on the Authority. In addition, the Provincial Government selects three representatives to serve. A municipality may appoint a person who is not presently serving on Council. There are two people serving on the Authority under these conditions.

The Authority is an autonomous, corporate organization set-up under the provision of the Conservation Authorities Act to undertake Conservation work, and is supported in part by the Taxpayer.

The annual meeting of the Full Authority is held in the month of February. During this meeting the Directors, among other things, elect a Chairman, a Vice-Chairman and five executive members to conduct the business of the Authority for the ensuing year. This general meeting by resolution also appoints an Auditor, a Solicitor and signing authorities, as well as concurrence of the Secretary Treasurer appointment.

At present, this Authority has five Advisory Boards which are chaired by members of the Executive and complemented by members of the Full Authority and non-member interested citizens. The Boards are, Water Control, Information and Education, Forestry and Land Use, Fish and Wildlife, and, Conservation Areas.

The Authority Administrative Headquarters is presently at Campbellford where the actual business is handled by the Secretary Treasurer. Working in conjunction with the Authority is a technical person known as a Resources Manager, employed by the Provincial Government. His duties are split between the Moira River Conservation Authority and the Lower Trent.

Although the primary purpose of the Authority is Conser-

vation, it is geared to operate in conjunction with the Ontario Water Resources Commission and the Industrial Wastes Branch. The Authority office could be compared to a "polling" of the watershed, i.e. complaints are received from the citizens, and corrective measures are implemented by the Secretary Treasurer through the pertinent Advisory Board, to one of the Provincial Departments for ultimate action.

We would like to explain one of the many situations. During the late summer and early fall, many complaints from citizens were received by the Authority office about the excessive foam in the Trent River downstream of the Bata Shoe Company. Further to this, one newspaper joined with the citizens, and rightly so.

The Authority Executive decided that action should be taken and a formal complaint was forwarded to the Industrial Wastes Branch; the reply in part is as follows.

"We have received complaints of foam on the Lower Trent River in late summer and early fall for approximately five years. Extensive surveys have been carried out in the Bata

Shoe Company plant, but no materials have been found that could cause such a foaming problem. Samples of the foam have been collected and found to contain dead algal cells and natural organic chemicals normally released during decomposition of aquatic vegetation. It is, therefore, believed that the build-up of foam is caused by foam stabilizing organic chemicals, such as glycerides, which are released during the die-off of the summer algal bloom. Foam should continue to occur following die-off of algal blooms until the eutrophication of the Trent River is reduced. It is expected that the present Ontario programme to control phosphorus inputs to watercourses will eventually bring about such a reduction."

OBITUARIES

MRS. AMELIA KELLY

Peterborough
Mrs. Amelia Kelly died suddenly in Peterborough on November 25, 1972. She was in her 88th year.

A daughter of the late Charles Murphy and Mary Laffin of Murphy's Corners in Wollaston Township, she was the last of her family of 12 brothers and sisters.

Her husband Frank Kelly predeceased her. She is survived by five sons and two daughters, Murtagh, Tom and Francis of Peterborough and twin sons Gerald and Gerard of Indian River. Her two daughters are Mrs. Mary Freeman and Mrs. Joe Macnamara (Rosalee), both of Peterboro. She had 18 grandchildren and 6 great grandchildren.

Mrs. Kelly was a member of

St. Joseph's Church, Douro and an active member of the Catholic Women's League when health permitted.

Able to read without glasses and possessed of an active mind, Mrs. Kelly's greatest pastime was a devoted interest in the National Hockey League. Her knowledge and interest in the game brought her visits from many NHL stars to the nursing home where she was confined during the last several years.

Mrs. Kelly rested at the Dufus Funeral Home until Monday, November 27, then at St. Joseph's Church in Douro where requiem mass was sung by Father Lahey. Interment was in St. Joseph's Cemetery, Douro. Bearers were grandsons: Bob and Paul Macnamara, Barry Freeman, Wayne Kelly, Paul Oliveria and Wayne Carter.

MRS. JOSEPH KELLY

R.R. 6, Peterborough

After a two-year, valiant but losing battle with cancer, Mrs. Madeline Kelly entered into rest at St. Joseph's Hospital, Peterborough at midnight on Friday, December 1, 1972. She was 50 years old.

A daughter of Mrs. Mary Murphy of Murphy's Corners, and the late Charles Murphy, she is survived by her husband Joseph Kelly, daughters Anne, Catherine, Caroline and son Marty, all at home. She is also survived by five brothers and two sisters: Charles of Madoc, Martin of Bowmanville, Michael of Indian River, John of Milbridge, William of Bancroft, Mrs. Francis Cullen (Mary) of Grafton, Mrs. Ralph Ackerman (Susan) of Belleville.

Mrs. Kelly's education was interrupted by ill-health from a jaw injury in her teens. She later continued, however, and came first in her class of fifty

of the first Registered Nursing Assistants course offered at Kingston General Hospital. She worked for a time in the Kingston Hospitals and also at Belleville General Hospital.

In life, only three things mattered to Madeline: God, her family and her friends.

No Sunday went by without the family worshipping together. Each evening brought family prayers. Her happy home which rang with laughter and music, was opened to anyone who sought its hospitality.

Her incredible courage throughout her illness, her warm sense of humour, keen wit and deep appreciation for the dignity of life were a constant source of wonder to those around her. Even in her final hours, a drop of cold water, the fragrance of the roses by her bedside, the glow of the sunset on the window were things she so deeply appreciated. Her concern was never for herself

but for those around her.

The over-flowing church of Our Lady of The Assumption, where mass was offered by Father Vanston, the many beautiful floral tributes, the great number of mass offerings and donations to the Cancer Society showed that what mattered to her in life was with

her in death.

Her pallbearers were Michael and Patrick Hogan, Leon and Michael Molloy, Gaston Du Moulin and Robert Doherty.

Committal prayers at St. Peter's Cemetery, Peterborough, were said by Father Peter Murphy of Madoc.

Sincere Thanks

A sincere thank you to all who were patients or who had relatives in the former Qdcensboro Nursing Home over the past years. We regret that we have been forced to close the Home.

Merry Christmas to all and Best Wishes for the New Year.
